TRUSTEE'S MOTION FOR ORDER ISSUING LETTER ROGATORY TO SHAZIEH SALAHUDDIN PURSUANT TO HAGUE SERVICE CONVENTION

Pursuant to the Convention on the Service Abroad of Judicial and Extrajudicial Documents in Civil or Commercial Matters, concluded 15 November 1965 (the "Hague Service Convention") and 28 U.S.C. § 1781, Plaintiff Irving H. Picard, as trustee ("Trustee") for the liquidation of the business of Bernard L. Madoff Investment Securities LLC ("BLMIS") under the Securities Investor Protection Act, 15 U.S.C. §§ 78aaa *et seq.* ("SIPA"), which has been substantively consolidated with the estate of Bernard L. Madoff, through the Trustee's attorneys, Baker & Hostetler LLP, hereby requests the entry of an Order issuing a Letter Rogatory to The High Court Justice of Ireland for the examination of Irish resident Ms. Shazieh Salahuddin.

JURISDICTION AND VENUE

1. This Court has jurisdiction over this adversary proceeding pursuant to 28 U.S.C. § 1334(b) and sections 78eee(b)(2)(A) and (b)(4) of SIPA. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(A) and (O). Venue is proper in this district pursuant to 28 U.S.C. § 1409.

FACTUAL BACKGROUND

Madoff's Ponzi Scheme

- 2. Bernard L. Madoff ("Madoff"), through the investment advisory business of BLMIS, conducted a decades-long Ponzi scheme of breathtaking scale (Fourth Amended Complaint ¶ 1).
- 3. His fraud was sustained by infusions from around the globe. In particular, domestic and foreign investment vehicles colloquially known as "feeder funds" injected several billions of dollars into his scheme. (*Id.*)

- 4. Included among these feeder funds were Kingate Global Fund, Ltd., In Liquidation ("Kingate Global") and Kingate Euro Fund, Ltd., In Liquidation ("Kingate Euro" and with Kingate Global, "Kingate Funds"). (*Id.*)
- 5. Federico Ceretti ("Ceretti") and Carlo Grosso ("Grosso") founded the Kingate Funds. Ceretti and Grosso formed an important part of Madoff's *de facto* global sales force, marketing BLMIS to European investors. Since their inception, the Kingate Funds deposited a combined total of approximately \$1.7 billion with BLMIS and over time withdrew nearly a billion dollars from BLMIS. The Trustee alleges that these withdrawn funds comprise customer property and constitute avoidable transfers under the United States Bankruptcy Code that the Trustee seeks to recover for equitable distribution. (*Id.* ¶¶ 2-3.)
- 6. Ceretti and Grosso structured the Kingate Funds with management companies that they also directly or beneficially owned and controlled. In 1994, Ceretti and Grosso established the nominal management company, Kingate Management Limited ("KML"), which assigned its management responsibilities to FIM Limited and its affiliate, FIM Advisers LLP ("FIM Advisers," and with FIM Limited, "FIM"). Together, KML and FIM purported to "advise," "consult," and "manage" the Kingate Funds. (*Id.* ¶¶ 4-5.)
- 7. The Fourth Amended Complaint, filed on March 17, 2014 in this adversary proceeding seeks, *inter alia*, to avoid and recover \$926,351,905 in fraudulent transfers made to the Kingate Funds under the Bankruptcy Code, the New York Debtor Creditor Law, and SIPA, particularly § 78fff-2(c)(3).

Salahuddin's Connection to the Kingate Funds

8. This Motion concerns the examination under oath of Shazieh Salahuddin ("Salahuddin").

- 9. FIM Limited was established in 1981 by Grosso. (*Id.* ¶ 35, 49.) It acted as an asset manager of high net worth individuals. Ceretti joined FIM Limited in 1986. In the early 1990s, FIM Limited's business focused on managing funds of funds. (*Id.* ¶ 104). In 2004, Ceretti and Grosso co-founded FIM Advisers LLP. In August 2005, FIM Advisers took over the business of FIM Limited. (*Id.* ¶¶ 36, 52.)
- 10. In 1995, FIM Limited was appointed by KML and Kingate Global to provide consulting services to Kingate Global, and later Kingate Euro. (*Id.* ¶¶ 5, 51, 112.) FIM Advisers replaced FIM Limited in 2005. (*Id.* ¶ 112.) In addition to acting as consultant, at least twelve of FIM's investment funds were invested in the Kingate Funds. (*Id.* ¶ 53.)
- 11. In 1994, Ceretti and Grosso established Kingate Management Limited ("KML"), purportedly as a management vehicle, but which, in practice, assigned its management responsibilities to FIM Limited and later FIM Advisers (together, "FIM"). Together, KML and FIM purported to "advise," "consult," and "manage" the Kingate Funds. (*Id.* ¶¶ 4, 5, 51, 52, 112.)
 - 12. Salahuddin was an employee of FIM beginning in 1996.
- 13. In 2000, Salahuddin moved to Bermuda to work for KML under Christopher Wetherhill, a director of KML and former director of the Kingate Funds.
- 14. On June 22, 2010, William Tacon of Zolfo Cooper, in his then-capacity as a Joint Liquidator of the Kingate Funds, interviewed Salahuddin in Hamilton, Bermuda about matters relating to the Kingate Funds. Salahuddin provided Zolfo Cooper with information directly relevant to the Trustee's allegations in the Fourth Amended Complaint. Through the Letter Rogatory, the Trustee seeks to obtain from Salahuddin facts in an evidentiary form for use at trial before this Court to prove the Trustee's claims alleged in the Fourth Amended Complaint.

- 15. At various times during the life of the Kingate Funds, Salahuddin served as the General Manager for KML, a member of KML's Board of Directors, and the General Manager of FIM.
- 16. In her multiple roles with the agents for Ceretti and Grosso, Salahuddin regularly corresponded with them, Christopher Wetherhill, and others within FIM and KML to discuss communications to investors, interactions with the Kingate Funds' administrator, communications with and about BLMIS, due diligence, the performance of BLMIS with respect to the Kingate Funds' accounts with BLMIS, and other topics highly relevant to the Trustee's claims in the Fourth Amended Complaint.
 - 17. The Trustee anticipates that Salahuddin will have first-hand knowledge of:
 - a. KML's operations;
 - b. FIM's operations; and
 - c. the operations of the Kingate Funds, including their investment with BLMIS and communications with and about BLMIS and its employees.
- 18. Salahuddin's involvement with the regular calculations of the Kingate Funds'
 Net Asset Value and other related financial metrics; her knowledge of communications with the
 Kingate Funds' administrators, consultants, investors and potential investors; and her daily
 involvement as an employee of FIM and KML make it clear that Salahuddin has first-hand
 knowledge pertaining to several allegations in the Fourth Amendment Complaint.
- 19. Specifically, the Trustee anticipates that Salahuddin will be able to provide further information in relation to the issues and allegation contained in paragraphs 42, 82, 83, 89, 112, 114-18, 121-31, 135-141, 146-222, 225-47, and 253-58 of the Fourth Amended Complaint.

ARGUMENT

I. LETTERS ROGATORY ARE THE PROPER METHOD FOR A UNITED STATES COURT TO SEEK DISCOVERY IN THE REPUBLIC OF IRELAND

- 20. Articles 1 through 3 of the Hague Service Convention authorize a judicial officer of one signatory State to forward to the Central Authority of another signatory State a discovery request conforming to the proper model. Both the United States and the Republic of Ireland are Contracting Parties to the Hague Service Convention.¹
- 21. Salahuddin is a foreign citizen and non-party who is located in Kinsale, County Cork, Ireland. Thus, this Letter Rogatory provides the only means of compelling discovery from her.
- This Motion is made pursuant to 28 U.S.C. § 1781(b)(2), which permits the transmittal of a Letter Rogatory directly from this Court to The High Court Justice of Ireland. (*See also In re Fill*, 68 B.R. 923, 933 (Bankr. S.D.N.Y. 1987) (holding that if the Trustee seeks discovery of a non-party witness, while the non-party witness is in a foreign country, he must do so in accordance with the Hague Convention)).
- 23. The Trustee's use of this Letter Rogatory to Salahuddin is the appropriate method for obtaining discovery from individuals located in the Republic of Ireland and conforms to the model annexed to the Hague Service Convention. (*See* Order 11E, Rules of the Superior Courts, Republic of Ireland; *see also Societe Nationale Industrielle Aeropastiale v. U.S. District Court*, 482 U.S. 522, 535 (1987) ("Article 1 provides that a judicial authority in one contracting state 'may' forward a letter of request to the competent authority in another contracting state for the purpose of obtaining evidence.").)

II. THE TRUSTEE SEEKS RELEVANT DISCOVERY VIA THE PROPOSED LETTER ROGATORY TO SHAZIEH SALAHUDDIN

24. As described in the Letter Rogatory, attached here as Exhibit 1 and in paragraphs 2-19 above, the discovery requested by the Trustee is relevant to his claims in the Fourth Amended Complaint and should be granted.

CONCLUSION

For the above reasons, the Trustee believes that the proposed Letter Rogatory is just and appropriate and respectfully requests that the Court issue such Letter Rogatory to The High Court Justice of Ireland.

INTRODUCTION

This Letter Rogatory seeks evidence for use in the above-named proceeding pending before this Court, which alleges claims arising under the Securities Investor Protection Act of 1970 ("SIPA"), the United States Bankruptcy Code, and the New York Debtor and Creditor Law. The purpose of this Letter Rogatory is to obtain testimonial and documentary evidence from Shazieh Salahuddin ("Salahuddin") for use as evidence in a trial of the Trustee's claims in the Fourth Amended Complaint filed in this proceeding in this Court.

The Fourth Amended Complaint, filed on March 17, 2014 (ECF No. 100) in this adversary proceeding, a copy of which is attached as Exhibit A, seeks, *inter alia*, to avoid and recover \$926,351,905 in fraudulent transfers made to Kingate Global Fund, Ltd., In Liquidation ("Kingate Global") and Kingate Euro Fund, Ltd., In Liquidation ("Kingate Euro" and, together with Kingate Global, the "Kingate Funds"), pursuant to the Bankruptcy Code, the New York Debtor Creditor Law, and SIPA § 78fff-2(c)(3). The Fourth Amended Complaint also seeks to equitably subordinate the Kingate Funds' customer claims asserted against the BLMIS customer property estate. The Court has not yet made a determination of the merits of the Trustee's claims and allegations asserted in this action, which are set forth below.

THE PARTIES AND THEIR REPRESENTATIVES

The parties to this action and their representatives are as follows:

SIPA, substantively consolidated with the estate of Bernard L. Madoff. NATURE AND PURPOSE OF THE PROCEEDING

The Proceeding

This is an adversary proceeding commenced in this Court, in which the main underlying SIPA proceeding, No. 08-01789 (SMB) is pending.

By way of background, Bernard L. Madoff ("Madoff"), through the investment advisory business of BLMIS, conducted a decades-long Ponzi scheme of breathtaking scale. His fraud was sustained by infusions from around the globe. In particular, domestic and foreign investment vehicles, colloquially known as "feeder funds," injected several billions of dollars into his scheme.

Included among these feeder funds were the Kingate Funds. Federico Ceretti ("Ceretti") and Carlo Grosso ("Grosso") founded the Kingate Funds. Ceretti and Grosso formed an important part of Madoff's *de facto* global sales force, marketing BLMIS to European investors. Since their inception, the Kingate Funds deposited a combined total of approximately \$1.7 billion with BLMIS and over time withdrew nearly a billion dollars from BLMIS. The Trustee alleges that these withdrawn funds comprise customer property and constitute avoidable

transfers under the United States Bankruptcy Code. The Trustee seeks to recover these withdrawn funds for equitable distribution.

Currently, the parties are engaged in fact discovery. Hundreds of thousands of documents have been produced, and depositions and examinations of witnesses are ongoing, both in U.S. jurisdictions and foreign jurisdictions. Unless further extended by agreement of the parties or by order of the Bankruptcy Court, fact discovery is scheduled to close on July 31, 2018.

Ceretti and Grosso's Related Management Entities

Ceretti and Grosso structured the Kingate Funds with management companies that they also directly or beneficially owned and controlled. In 1994, Ceretti and Grosso established Kingate Management Limited ("KML"), purportedly as a management vehicle, but which, in practice, assigned its management responsibilities to FIM Limited and its affiliate, FIM Advisers LLP ("FIM Advisers" and, together with FIM Limited, "FIM"). Together, KML and FIM purported to "advise," "consult," and "manage" the Kingate Funds.

FIM Limited was established in 1981 by Grosso. It acted as an asset manager for high net worth individuals. Ceretti joined FIM Limited in 1986. In the early 1990s, FIM Limited's business focused on managing funds of funds. In 2004, Ceretti and Grosso co-founded FIM Advisers, and in August 2005 FIM Advisers took over the business of FIM Limited.

In 1995, FIM Limited was appointed by KML and Kingate Global to provide consulting services to Kingate Global, and later Kingate Euro. FIM Advisers replaced FIM Limited in 2005. In addition to acting as consultant, at least twelve of FIM's investment funds were invested in the Kingate Funds.

Interview with Salahuddin

On June 22, 2010, William Tacon of Zolfo Cooper, in his then-capacity as a Joint Liquidator of the Kingate Funds, interviewed Salahuddin in Hamilton, Bermuda about matters relating to the Kingate Funds. Salahuddin provided Zolfo Cooper with information directly relevant to the Trustee's allegations in the Fourth Amended Complaint.

Salahuddin's Connection to the Kingate Funds

Salahuddin was an employee of FIM beginning in 1996; in 2000, she moved to Bermuda to work for KML. At various times during the life of the Kingate Funds, she served as the General Manager for KML, a member of KML's Board of Directors, and the General Manager of FIM.

In her multiple roles with the agents for Ceretti and Grosso, Salahuddin regularly corresponded with them, Mr. Christopher Wetherhill, and others within FIM and KML to discuss communications to investors, interactions with the Kingate Funds' administrator, communications with and about BLMIS, due diligence, the performance of BLMIS with respect to the Kingate Funds' accounts with BLMIS, and other topics highly relevant to the Trustee's claims in the Fourth Amended Complaint.

Salahuddin also regularly interacted with then-current and potential investors in the Kingate Funds, the administrator of the Kingate Funds, and the consultants to the Kingate Funds.

Allegations in the Fourth Amended Complaint Relevant to Salahuddin

Information possessed by Salahuddin and acquired during the time she held multiple positions with FIM and KML and was the confidant of senior management within KML is relevant to the Trustee's claims in the Fourth Amended Complaint, giving rise to the need for this Letter Rogatory. Specifically, the Trustee anticipates that Salahuddin will provide further

information in relation to the issues and allegations contained in paragraphs 42, 82, 83, 89, 112, 114-18, 121-31, 135-141, 146-222, 225-47, and 253-58 of the Fourth Amended Complaint.

REQUEST FOR JUDICIAL ASSISTANCE

General Purpose

The evidence to be obtained from Salahuddin consists of documents and testimony to be used in court proceedings; motion practice, including dispositive motions; and trial of this action, and is necessary for the just and proper disposal of the proceedings before this Court.

SUBJECT MATTER OF EXAMINATION

Introductory Questions

These questions will seek confirmation of relevant matters, including Salahuddin's background, qualifications and experience; the circumstances under which she learned of this Letter Rogatory; and the preparation of her response, including any communications with third parties. Matters to be addressed in questioning are likely to include:

- Details of Salahuddin's education and professional qualifications;
- Salahuddin's employment history to date; and

• Whether Salahuddin has discussed this Letter Rogatory with anyone and, if so, details of the substance and circumstances of any relevant communications to the extent that they are not protected by legal privilege.

Purpose

This information will go to Salahuddin's competence and credibility (*i.e.*, the weight the Bankruptcy Court should give Salahuddin's evidence).

Salahuddin's Employment at FIM

Nature

These questions will cover Salahuddin's roles, responsibilities, and relationships at FIM; details of those who reported to her and to whom she reported; how she came to be employed by KML and why she moved to Bermuda; and why she was simultaneously employed by both FIM and KML, for how long, the scope of her duties, the qualifications necessary to carry out those duties, the extent of her authority, and how her responsibilities overlapped or differed. Matters to be addressed in questioning are likely to include:

- Salahuddin's employment and responsibilities at FIM;
- Salahuddin's concerns about her qualifications for the role she played within FIM;
- Salahuddin's training for work in the securities industry; and
- Salahuddin's interactions with Ceretti and Grosso while at FIM.

Purpose

This information will establish Salahuddin's knowledge of and involvement in the operations and activities of FIM and provide the Trustee with information concerning FIM's operations. It is relevant to various allegations concerning FIM and its role in relation to the Kingate Funds contained in the Fourth Amended Complaint.

Salahuddin's Employment at KML

Nature

These questions will cover Salahuddin's roles, responsibilities, and relationships at KML; details of those who reported to her and to whom she reported; how she came to be employed by KML and why she moved to Bermuda; her communications with Ceretti, Grosso, and Wetherhill; the scope of her duties and qualifications to carry out those duties; the extent of her authority; her communications with investors and potential investors in the Kingate Funds; her communications with the administrators and consultants to the Kingate Funds; her communications with Madoff and/or other representatives or employees of BLMIS; and her knowledge of communications between Ceretti, Grosso, Wetherhill, Madoff, BLMIS or others related to the business of KML as Manager for the Kingate Funds. Matters to be addressed in questioning are likely to include:

- Salahuddin's understanding of KML and its role and relationship with the Kingate Funds;
- Salahuddin's interactions with Ceretti, Grosso, and Wetherhill;
- Salahuddin's interactions with investors and potential investors in the Kingate Funds;
- Salahuddin's interactions with the administrators and consultants to the Kingate Funds;
 and
- Salahuddin's interactions with BLMIS and/or Madoff.

Purpose

The Trustee's Fourth Amended Complaint seeks to avoid and recover fraudulent transfers made to the Kingate Funds. In order to do so, the Trustee must demonstrate either that the Kingate Funds had actual knowledge that no securities were traded by BLMIS, or that the Kingate Funds subjectively believed that there was a high probability of fraud at BLMIS and deliberately took steps to avoid learning the fact of that fraud. The U.S. Bankruptcy Court for the Southern District of New York determined that the Trustee's Fourth Amended Complaint plausibly alleges such actual knowledge and willful blindness and that the Trustee may impute the knowledge of the Kingate Funds' agents to the Kingate Funds. Accordingly, Salahuddin's testimony regarding the role that KML played in connection with the Kingate Funds' investments with BLMIS; her responsibilities in that regard; the information she learned during her employment with KML; and her communications with representatives of FIM, KML, and BLMIS will be used as evidence at trial to demonstrate KML's knowledge as FIM's consultant and the Kingate Funds' agent.

Concerns About the Kingate Funds

Nature

These questions will cover Salahuddin's contemporaneous concerns with the Kingate Funds and BLMIS. Matters to be addressed in questioning are likely to include:

- Salahuddin's knowledge of concerns about BLMIS or the Kingate Funds by third parties;
- Any discussions with other employees regarding concerns about the Kingate Funds;
- Any concerns with Madoff's strategy and trading;
- Any concerns about the operational structure of BLMIS;
- Performance analysis relating to the Kingate Funds' investments with BLMIS;
- Any concerns about Madoff's fee structure;
- Any concerns raised about Madoff's paper statements;
- Any concerns about her management's relationships with Madoff; and
- Redemption procedures particular to the Kingate Funds.

Purpose

The Trustee's Fourth Amended Complaint seeks to avoid and recover fraudulent transfers made to the Kingate Funds. In order to do so, the Trustee must demonstrate either that the Kingate Funds had actual knowledge that no securities were traded by BLMIS, or that the Kingate Funds subjectively believed that there was a high probability of fraud at BLMIS

and deliberately took steps to avoid learning the fact of that fraud. The U.S. Bankruptcy Court for the Southern District of New York determined that the Trustee's Fourth Amended Complaint plausibly alleges such actual knowledge and willful blindness, and that the Trustee may impute the knowledge of the Kingate Funds' agents to the Kingate Funds. Accordingly, Salahuddin's testimony regarding the role that KML played in connection with the Kingate Funds' investments with BLMIS; her responsibilities in that regard; the information she learned during her employment with KML; and her communications with representatives of FIM, KML, and BLMIS will be used as evidence at trial to demonstrate KML's knowledge as FIM's consultant and the Kingate Funds' agent.

Operation of the Kingate Funds

Nature

These questions will cover Salahuddin's knowledge of the operations and functions of the Kingate Funds during her employment, including their investments with BLMIS and investments by the Kingate Funds' shareholders. Matters to be addressed in questioning are likely to include:

- Approval of subscriptions in, and redemptions from, the Kingate Funds;
- Subscriptions in, and redemptions from, BLMIS by the Kingate Funds;
- Management of the Kingate Funds' respective bank accounts;
- Oversight of and diligence conducted with respect to the Kingate Funds' investments with BLMIS; and
- Agreements with service providers.

Purpose

The Trustee's Fourth Amended Complaint seeks to avoid and recover fraudulent transfers made to the Kingate Funds. In order to do so, the Trustee must demonstrate either that the Kingate Funds had actual knowledge that no securities were trades by BLMIS, or that the Kingate Funds subjectively believed that there was a high probability of fraud at BLMIS and deliberately took steps to avoid learning the fact of that fraud. The U.S. Bankruptcy Court for the Southern District of New York determined that the Trustee's Fourth Amended Complaint plausibly alleges such actual knowledge and willful blindness and that the Trustee may impute the knowledge of the Kingate Funds' agents to the Kingate Funds. Accordingly, Salahuddin's testimony regarding the role that KML played in connection with the Kingate Funds' investments with BLMIS; her responsibilities in that regard; the information she learned during her employment with KML; and her communications with representatives of FIM, KML, and BLMIS will be used as evidence at trial to demonstrate KML's knowledge as FIM's consultant and the Kingate Funds' agent.

Tremont

Nature

These questions will confirm Salahuddin's knowledge of Tremont's co-management relationship with KML for Kingate Global. Matters to be addressed in questioning are likely to include:

- Co-management relationship between KML and Tremont;
- Individuals involved in the co-management relationship;
- Termination of co-management relationship and reasons therefor;
- Fees paid to Tremont by KML; and
- Communications between Salahuddin and Tremont employees.

<u>Purpose</u>

The Trustee's Fourth Amended Complaint seeks to avoid and recover fraudulent transfers made to the Kingate Funds. In order to do so, the Trustee must demonstrate either that the Kingate Funds had actual knowledge that no securities were trades by BLMIS, or that the Kingate Funds subjectively believed that there was a high probability of fraud at BLMIS and deliberately took steps to avoid learning the fact of that fraud. The U.S. Bankruptcy Court for the Southern District of New York determined that the Trustee's Fourth Amended Complaint plausibly alleges such actual knowledge and willful blindness and that the Trustee may impute the knowledge of the Kingate Funds' agents to the Kingate Funds. Accordingly, Salahuddin's testimony regarding concerning Tremont's relationship with KML and the resulting knowledge gained by Tremont as Kingate Global's agent will be used as evidence at trial to demonstrate the knowledge of the Kingate Funds.

It is hereby requested that Salahuddin be compelled to make the following documents available for inspection and copying by the Trustee's legal representatives:

 - 2. Any correspondence related to the Services Agreement.
- 3. Any emails concerning an employment contract for Salahuddin with either FIM or KML, whether written or oral, and/or the terms of her employment.

Defendants.

Plaintiff Irving H. Picard (the "Trustee"), as trustee for the liquidation of the business of Bernard L. Madoff Investment Securities LLC ("BLMIS") under the Securities Investor Protection Act, 15 U.S.C. §§ 78aaa, *et seq.* ("SIPA"), and the substantively consolidated estate of Bernard L. Madoff ("Madoff," and with BLMIS, "Debtors"), by the Trustee's undersigned counsel, for his Fourth Amended Complaint ("Complaint") states:

I. NATURE OF PROCEEDING

1. As is now well known, Madoff conducted a Ponzi scheme previously unparalleled in scale, scope, and duration. Madoff did not accomplish this alone. Madoff sustained his Ponzi scheme for decades with capital infusions from around the globe. Included among the complex web of interconnected people and financial institutions that ensured capital infusions to BLMIS were Federico Ceretti ("Ceretti") and Carlo Grosso ("Grosso") and their Madoff feeder funds,

¹ Hereinafter, applicable sections of SIPA shall be cited as SIPA § _____, and omit reference to title 15, United States Code

Kingate Global Fund, Ltd. ("Kingate Global") and Kingate Euro Fund, Ltd. ("Kingate Euro," and with Kingate Global, the "Kingate Funds").

- 2. In 1994, Ceretti and Grosso established Kingate Global. Ceretti and Grosso first sold shares in Kingate Global in March 1995, investing the subscription moneys exclusively with BLMIS. In 2000, Ceretti and Grosso established Kingate Euro, which sold subscriptions in Euros for investment with BLMIS.
- 3. Since their inception, the Kingate Funds deposited a combined total of approximately \$1.7 billion with BLMIS and over time withdrew nearly \$1 billion from BLMIS. The withdrawn funds were customer property and are avoidable transfers that the Trustee seeks to recover for equitable distribution.
- 4. In 1994, contemporaneously with the formation of Kingate Global, Ceretti and Grosso established Kingate Management Limited ("Kingate Management"), which the Kingate Funds appointed as manager of the Kingate Funds. Kingate Management collected over \$300 million in management fees as manager of the Kingate Funds.
- 5. The Kingate Funds and Kingate Management then appointed FIM Limited and later FIM Advisers LLP ("FIM Advisers," and with FIM Limited, "FIM"), among other things, to advise and consult with Kingate Management concerning the Kingate Funds. FIM and Kingate Management, collectively referred to as the "Management Defendants," are directly or beneficially owned and controlled by Ceretti and Grosso.
- 6. The Kingate Funds, Ceretti, Grosso, the Management Defendants, and Citi Hedge Fund Services Limited ("Citi Hedge"), as administrator of the Kingate Funds, received account statements, trade confirmations, and other sources of information clearly demonstrating that BLMIS's performance resulted from impossible, highly suspect, and illegitimate "trades."

- 7. Although the defendants are separate entities, they operated in unison to collectively profit from Madoff's Ponzi scheme knowing that the "returns" reported by BLMIS could not have resulted from legitimate securities trading. The interests of all defendants were aligned, with each defendant benefitting by increasing the Kingate Funds' assets under management solely for investment with BLMIS.
- 8. BLMIS made initial transfers to, or for the benefit of, the Kingate Funds of at least \$926,351,905, of which the Kingate Funds subsequently transferred hundreds of millions of dollars to the other defendants. The Trustee brings this action to avoid and recover the initial transfers from BLMIS to the Kingate Funds and the subsequent transfers received by the other defendants. Every dollar the defendants received directly or indirectly from BLMIS is customer property that must be returned to the estate for equitable distribution under SIPA.

II. JURISDICTION AND VENUE

- 9. This is an adversary proceeding commenced in this Court, in which the main underlying SIPA proceeding, No. 08-01789 (SMB) (the "SIPA Proceeding"), is pending. The SIPA Proceeding was originally brought in the United States District Court for the Southern District of New York (the "District Court") as *Securities Exchange Commission v. Bernard L. Madoff Investment Securities LLC, et al.*, No. 08 CV 10791 (the "District Court Proceeding"), and has been referred to this Court. This Court has jurisdiction over this adversary proceeding under 28 U.S.C. § 1334(b) and (e)(1), and SIPA § 78eee(b)(2)(A) and (b)(4).
- 10. This is a core proceeding under 28 U.S.C. § 157(b)(2)(A), (B), (F), (H), and (O). The Trustee consents to the entry of final orders or judgment by this Court if it is determined that consent of the parties is required for this Court to enter final orders or judgments consistent with Article III of the U.S. Constitution.
 - 11. Venue in this district is proper under 28 U.S.C. §§ 1391(b) and 1409.

12. This adversary proceeding is brought under SIPA §§ 78fff(b) and 78fff-2(c)(3), 11 U.S.C. §§ 105(a), 502(a) and (b), 544(b), 547, 548(a), 550(a), and 551,² the New York Fraudulent Conveyance Act (N.Y. Debt. & Cred. Law ("NYDCL") §§ 270 *et seq.* (McKinney 2012)), and other applicable law.

III. BACKGROUND, THE TRUSTEE AND STANDING

- 13. On December 11, 2008 (the "Filing Date"), Madoff was arrested by federal agents for criminal violations of federal securities laws, including securities fraud, investment adviser fraud, and mail and wire fraud. Contemporaneously, the Securities and Exchange Commission ("SEC") commenced the District Court Proceeding, which is pending in the District Court. The SEC's complaint alleges that Madoff and BLMIS engaged in fraud through the investment adviser activities of BLMIS.
- 14. On December 12, 2008, the Honorable Louis L. Stanton of the District Court entered an order that appointed Lee S. Richards as receiver for the assets of BLMIS.
- 15. On December 15, 2008, pursuant to SIPA § 78eee(a)(4)(A), the SEC consented to combining its action with an application by the Securities Investor Protection Corporation ("SIPC"). Thereafter, pursuant to SIPA § 78eee(a)(4)(B), SIPC filed an application in the District Court alleging, among other things, that BLMIS could not meet its obligations to securities customers as they came due and its customers needed the protections afforded by SIPA.
- 16. Also on December 15, 2008, Judge Stanton granted SIPC's application and entered an order, that:

² Hereinafter, applicable sections of title 11, United States Code (the "Bankruptcy Code"), shall omit reference to title 11.

- a. removed the receiver and appointed the Trustee for the liquidation of the business of BLMIS under SIPA § 78eee(b)(3);
- b. appointed Baker & Hostetler LLP as counsel to the Trustee under SIPA § 78eee(b)(3); and
- c. removed the case to this Court pursuant to SIPA § 78eee(b)(4).
- 17. By orders dated December 23, 2008 and February 4, 2009, respectively, this Court approved the Trustee's bond and found that the Trustee was a disinterested person.
- 18. On April 13, 2009, an involuntary bankruptcy petition was filed against Madoff, and on June 9, 2009, this Court substantively consolidated the chapter 7 estate of Madoff into the SIPA Proceeding.
- 19. At a plea hearing on March 12, 2009 (the "Plea Hearing"), in the case captioned *United States v. Madoff*, Case No. 09-CR-213(DC), Madoff pleaded guilty to an 11-count criminal information filed against him by the United States Attorney for the Southern District of New York. At the Plea Hearing, Madoff admitted he "operated a Ponzi scheme through the investment advisory side of [BLMIS]." (Plea Hr'g Tr. at 23: 14-17.)
- 20. At a plea hearing on August 11, 2009, in the case captioned *United States v*. *DiPascali*, Case No. 09-CR-764 (RJS), Frank DiPascali, a former BLMIS employee, pleaded guilty to a ten-count criminal information charging him with participating in and conspiring to perpetuate the Ponzi scheme. DiPascali admitted that no purchases or sales of securities took place in connection with BLMIS customer accounts and that the Ponzi scheme had been ongoing at BLMIS since at least the 1980s.
- 21. At a plea hearing on November 21, 2011, in the case captioned *United States v. Kugel*, Case No. 10-CR-228 (LTS), David Kugel, a former BLMIS trader and manager, pleaded guilty to a six-count criminal information charging him with securities fraud, falsifying the

records of BLMIS, conspiracy, and bank fraud. Kugel admitted to helping create false, backdated trades in BLMIS customer accounts beginning in the early 1970s.

- 22. At a plea hearing on December 20, 2012, in the case captioned *United States v*. *Peter Madoff*, Case No. 10-CR-228 (LTS), Peter Madoff, Madoff's brother and BLMIS's chief compliance officer, pleaded guilty to a two-count criminal information charging him with falsifying records and conspiracy to commit securities fraud.
- 23. The Trustee is using his authority under SIPA and the Bankruptcy Code to avoid and recover payouts of fictitious profits and other transfers made by the Debtors to customers and others to the detriment of defrauded, innocent customers whose money was consumed by the Ponzi scheme. Absent that and other recovery actions, the Trustee cannot satisfy the customer claims described in subparagraphs (A) through (D) of SIPA § 78fff-2(c)(1).

IV. THE PONZI SCHEME

- 24. Madoff founded BLMIS in or about 1960 as a sole proprietorship, and on January 1, 2001, he formed it as a limited liability company under the laws of the State of New York. For most of its existence, BLMIS operated from its principal place of business at 885 Third Avenue, New York, New York. Madoff, as founder, sole owner, chairman, and chief executive officer, operated BLMIS with several family members and other employees, some of whom have pleaded guilty to helping Madoff carry out the fraudulent scheme. BLMIS had three business units: investment advisory (the "IA Business"), market making, and proprietary trading.
- 25. Beginning in the 1990s, Madoff outwardly ascribed the IA Business's consistent investment success to his "split-strike conversion" ("SSC") investment strategy. Madoff generally promised investors that their funds would be invested in a basket of common stocks within the Standard & Poor's 100 Index ("S&P 100 Index"), which is a collection of the 100 largest publicly traded companies, as determined by Standard & Poor's Index Committee. The

basket of stocks was designed to mimic the movement of the S&P 100 Index. Because Madoff claimed that he would carefully time purchases and sales to maximize value, customer funds would intermittently be out of the market. During those times, Madoff claimed that the funds were invested, directly or indirectly, in U.S. Treasury securities ("Treasury Bills"). There is no record of BLMIS clearing a single purchase or sale of securities in connection with the SSC strategy at the Depository Trust & Clearing Corporation, the clearing house for such transactions, or any other trading platform on which BLMIS could have traded securities. There are no other BLMIS records that demonstrate that BLMIS traded securities in connection with the SSC strategy.

- 26. The second part of the SSC strategy involved selling call options and buying put options on the S&P 100 Index; this is commonly referred to as a "collar." Madoff purported to purchase and sell option contracts to control the downside risk of price changes in the basket of stocks correlated to the performance of the S&P 100 Index. All options relating to the companies within the S&P 100 Index, including options based upon the S&P 100 Index itself, clear through the Options Clearing Corporation ("OCC"). The OCC has no records showing that BLMIS's IA Business cleared any trades in any exchange-listed options.
- 27. At the Plea Hearing, Madoff admitted that BLMIS purchased none of the securities it claimed to have purchased for IA Business customers.
- 28. Madoff operated the IA Business as a Ponzi scheme. The money received from IA Business customers was not set aside to buy securities or options, as Madoff claimed, but instead was used primarily to make distributions to, or payments for, other customers. The falsified monthly account statements made it appear that the IA Business accounts included substantial gains on customers' principal investments. In reality, BLMIS had not invested its

customers' funds but paid customers based upon the inflated amounts reflected in their fake account statements as if those amounts were genuine. The money sent to BLMIS for investment was used to keep the fraudulent scheme operating and to enrich Madoff, his associates, and others, until December 2008, when requests for redemptions overwhelmed the flow of new investments and caused the inevitable collapse of the Ponzi scheme.

- 29. BLMIS did not register as an investment adviser with the SEC until August 2006. At that time, BLMIS filed with the SEC Form ADV (Uniform Application for Investment Adviser Registration) representing, among other things, that BLMIS had 23 customer accounts and assets under management of \$11.7 billion. Thereafter, BLMIS filed Form ADV annually with the SEC, the latest of which was filed in January 2008. It represented that BLMIS had 23 customer accounts with assets under management of \$17.1 billion. In fact, at that time BLMIS had over 4,900 active customer accounts with a purported value of approximately \$68 billion under management.
- 30. BLMIS's auditor was Friehling & Horowitz, CPA, P.C. ("Friehling & Horowitz"), a three-person accounting firm in Rockland County, New York. Of the three employees at the firm, one employee was an administrative assistant and one was a semi-retired accountant living in Florida. On or about November 3, 2009, David Friehling, the sole proprietor of Friehling & Horowitz, pleaded guilty to filing false audit reports for BLMIS and filing false tax returns for Madoff and others.
- 31. At all relevant times, BLMIS's liabilities were a minimum of millions, and at times billions, of dollars greater than its assets. BLMIS was insolvent because (i) its assets were worth less than the value of its liabilities; (ii) it could not meet its obligations as they came due; and (iii) at the time of the transfers alleged herein, BLMIS was left with insufficient capital.

- New York Civil Practice Law and Rules (Mckinney 2003) ("N.Y. C.P.L.R."), and Rule 7004 of the Federal Rules of Bankruptcy Procedure because the defendants: (i) have intentionally taken full advantage of the rights, benefits, and privileges of conducting business and/or transactions in the State of New York; (ii) purposely availed themselves of the laws of the State of New York by undertaking significant commercial activities in New York and by receiving customer property to their benefit; (iii) derived significant revenue from New York; and (iv) maintained minimum contacts with New York in connection with the Trustee's claims. Defendants derived substantial revenue from direct or indirect investments with BLMIS in New York, and they expected or should have reasonably expected their activities would have consequences in New York.
- 82. Defendants knew and intended that investments in the Kingate Funds would be transferred to BLMIS in New York to be handled at Madoff's discretion through BLMIS. All defendants intended to, and did, profit from U.S.-based and N.Y.-based activities.
- York or with FIM (USA) in New York. Kingate Management acted as agent for the Kingate Funds. FIM acted as agent for Kingate Management in connection with Kingate Management's duties on behalf of the Kingate Funds. According to the Administration Agreements, Citi Hedge acted as agent for the Kingate Funds. Ceretti and Grosso, as beneficial owners and/or creators of the Management Defendants, the Kingate Funds, and certain of the Ceretti and Grosso Companies, acted as agents for all of those defendants.

- 84. FIM Advisers and FIM (USA) actively marketed FIM Advisers' services from the United States. FIM (USA) also performed research functions in New York on behalf and under the direction of FIM Advisers, FIM Limited, Kingate Management, and Ceretti and Grosso.
- 85. Employees of FIM (USA) promoted FIM in the United States by referring several of the Kingate Funds' shareholders to FIM. Certain employees of FIM Advisers were also employees of FIM (USA). According to the New York Department of State, FIM (USA) was terminated on June 17, 2009.
- 86. Ceretti and Grosso transacted business in New York as the agents for the Ceretti and Grosso Companies. Ceretti and Grosso authorized the transfer of funds to and from New York bank accounts for their personal benefit. For example, on or about March 31, 2008, Grosso authorized Ashby Holdings to transfer \$5 million to a bank account in New York. The Ceretti and Grosso Companies routinely received funds originating from New York and derived substantial revenue from such funds.
- 87. Acting on behalf of all defendants, Ceretti and Grosso met with Madoff in New York, including at BLMIS, on multiple dates.
- 88. The Kingate Funds used New York banks to deposit funds with BLMIS, transferring investor funds to, and obtaining moneys from, the BLMIS account at JPMorgan Chase & Co., Account #xxxxxxxxxxxx703 (the "703 Account").
- 89. The Kingate Funds transacted and conducted business in New York by, among other things, investing all of the assets of the Kingate Funds with BLMIS in New York. Kingate Management paid fees to FIM Limited at FIM Limited's account with Brown Brothers Harriman & Co. in New York, New York.

- 90. On or about July 2, 2009, Kingate Global filed Customer Claim No. 15359 and Kingate Euro filed Customer Claim No. 15358 (collectively, the "Customer Claims") with the Trustee.
- 91. Citi Hedge is an affiliate of Citigroup, Inc., and Citi Hedge Fund Services, Inc., a Delaware corporation registered to do business in New York with a registered address at 3435 Stelzer Road, Columbus, Ohio 43219.
- 92. Bank Bermuda used New York banks to transfer funds into BLMIS, transferring investor moneys into, and receiving moneys from, the 703 Account.

VI. CERETTI'S, GROSSO'S AND THE KINGATE FUNDS' ROLE IN MADOFF'S FRAUD

- A. The Kingate Funds Enabled Madoff's Expansion Into New Parts Of Europe
- 93. The Kingate Funds were part of BLMIS's expansion to European investors.
- 94. In the early 1990s, Sandra Manzke ("Manzke"), a hedge fund manager then affiliated with Tremont (Bermuda) Limited ("Tremont"), introduced Ceretti and Grosso to Madoff.
- 95. In 1993, Madoff informed fund managers, including Manzke, that going forward BLMIS would only accept institutional investors as customers for its IA Business. Manzke formed the Tremont Broad Market Fund Limited as a domestic investment fund, and Ceretti and Grosso joined with Manzke to create Kingate Global as a foreign investment fund.
- 96. The Kingate Funds were single-purpose funds created by Ceretti and Grosso to solicit investors for BLMIS primarily from continental Europe, principally in Italy and Switzerland. Ceretti and Grosso prepared, authorized, or otherwise participated in the presentation of the Kingate Funds' public materials, such as solicitation materials, fact sheets and

other materials sent to shareholders to encourage investments in the Kingate Funds. Major international financial institutions such as HSBC, Grupo BBVA, Banque Privee Edmond de Rothschild, and Anglo Irish Bank invested with BLMIS through the Kingate Funds.

- 97. The Kingate Funds also offered other fund managers without access to BLMIS an opportunity to invest with BLMIS. For example, Reliance Management (BVI) Limited, the manager of Defender Limited,³ a separate BLMIS feeder fund, first gained access to BLMIS for its flagship fund, Reliance Multi-Adviser Fund Limited, through Kingate Global.
 - B. Ceretti's And Grosso's Close Personal And Business Relationships With Madoff Provided Insights Into Madoff's Fraudulent IA Business
- 98. Ceretti and Grosso were part of Madoff's inner circle and had direct access to him. Madoff publicly acknowledged as much, telling one potential investor that he did not meet with investors, and the investor should meet with Grosso to learn about investment with BLMIS.
- 99. Grosso met with Madoff in New York or London at least two times a year.

 During those meetings, and the frequent telephone conversations that occurred in between,

 Grosso and Madoff discussed various matters, including the performance of BLMIS and the

 Kingate Funds.
- 100. In 2001, at Madoff's invitation, Grosso met with Madoff and DiPascali at BLMIS's office. The meeting included time spent on the 17th floor. The 17th floor was off limits to all but a few BLMIS employees, select third parties, and Madoff family members. The computers on the 17th floor were antiquated IBM AS 400 computers not connected to the internet or even BLMIS's internal network. Yet a handful of employees were purportedly executing

billions of dollars of trades on a monthly, and sometimes daily, basis with such technology.

Grosso saw that Madoff's IA Business operated from this space.

- 101. Besides in-person meetings, Ceretti, Grosso, and/or FIM employees participated in no fewer than 286 telephone calls to BLMIS from 2004 to 2008. Grosso was in close contact with Madoff until the last days before Madoff confessed, speaking with Madoff at length on December 2, 2008.
- 102. Ceretti's and Grosso's relationship with Madoff also included various social engagements, such as dinners in London accompanied by their spouses.
- 103. Ceretti and Grosso had close relationships not only with Madoff, but with other members of Madoff's inner circle. For example, in addition to the 286 phone calls to BLMIS, between 2005 and 2008, Grosso exchanged 225 phone calls with Jonathan Greenberg of Cohmad Securities Corp., an entity co-owned by Madoff that referred investors to BLMIS. Ceretti also communicated with key feeder fund managers in Madoff's circle. For example, in January 2005, Ceretti communicated with Andrés Piedrahita of Fairfield Sentry Limited, a separate BLMIS feeder fund, concerning Credit Suisse's counseling its clients away from Madoff funds because of risk concerns.

VII. THE KINGATE FUNDS' MULTI-LAYER MANAGEMENT STRUCTURE

- 104. When Ceretti and Grosso established the Kingate Funds, FIM Limited already owned and managed several well-established investment funds. Instead of using one of FIM Limited's existing investment funds to invest with BLMIS, Ceretti and Grosso created the Kingate Funds. Instead of FIM Limited directly managing the Kingate Funds, Ceretti and Grosso created a new management company, Kingate Management.
 - 105. Kingate Management never had over five employees.

- 106. On or about March 1, 1995, Kingate Management and Tremont executed a comanager agreement with Kingate Global. Under that agreement, Kingate Management and Tremont were obligated to evaluate and monitor BLMIS, arrange accounting and administrative services, and provide all other necessary management services to Kingate Global.
- 107. The Kingate Funds did not charge performance fees. Shareholders in the Kingate Funds were charged a management fee of 1.5% of the Kingate Funds' net asset value, and that fee was then split between co-managers, Kingate Management and Tremont. The Kingate Funds paid Kingate Management a fee of 1% of the assets Kingate Management introduced to the Kingate Funds, and Tremont a 0.5% fee on those same assets. If Tremont introduced the assets to the Kingate Funds, it received the 1% fee and Kingate Management received the 0.5% fee.
- 108. Figure 1 below shows aggregate management fees in the amount of \$323,767,406 paid by the Kingate Funds from 1997 to 2007:

Figure 1

109. Figure 2 below reflects additional management fees amounting to \$52,284,724, paid by the Kingate Funds:

Total	14,083,105

- 110. On December 1, 1995, Kingate Management and the Kingate Funds appointed FIM Limited to provide consulting services concerning financial and operational decisions related to the Kingate Funds. FIM Limited received a monthly fee from the fees the Kingate Funds paid to Kingate Management. FIM Advisers replaced FIM Limited as consultant in 2005.
- 111. Kingate Euro operated in the same manner as Kingate Global, but without Tremont's involvement.
- 112. On April 23, 2001, the Kingate Funds and Kingate Management appointed FIM Limited as a non-exclusive distributor for the Kingate Funds. In that capacity, FIM Limited identified and solicited potential shareholders, introduced shareholders to Kingate Management, maintained regular contact with shareholders, prepared marketing materials, and supervised communications with prospective and existing shareholders. FIM Advisers replaced FIM Limited as distributor in 2005.
- 113. In or around 2005, Ceretti and Grosso caused Manzke to resign as director of Kingate Global and terminated the co-manager relationship with Tremont.

- 114. On or around January 1, 2006, Kingate Management executed another management agreement with Kingate Global designating Kingate Management as the sole manager. All co-manager agreements and management agreements between Kingate Management and the Kingate Funds are collectively referred to as the "Management Agreements."
- 115. Kingate Management represented that it would review "the activity of the investment adviser to ensure that it complies with the Funds' investment guidelines and also [is] undertaking all actions that might be necessary in the furtherance of the investment objectives of the funds."
- 116. The Information Memorandum provided to potential shareholders for each of the Kingate Funds stated that Kingate Management "evaluates and monitors the Investment Advisor [BLMIS] and, in general, provides all necessary management services to the Fund."
- 117. According to the 2006 Kingate Global Information Memorandum, FIM Advisers "render[ed] consulting advice to [Kingate Management] with respect to certain aspects of the Fund's operational, administrative, marketing, accounting and legal matters."
- 118. The Management Agreements between Kingate Management and the Kingate Funds allowed Kingate Management to delegate its duties to FIM, except for Kingate Management's continuing obligation to verify the competence of FIM, as the delegate performing Kingate Management's duties.

VIII. CERETTI, GROSSO, THE KINGATE FUNDS, THE MANAGEMENT DEFENDANTS, AND CITI HEDGE KNOWINGLY FACILITATED MADOFF'S FRAUDULENT IA BUSINESS

A. Efforts To Shield Madoff From Outside Scrutiny

- 119. Even though many of the Kingate Funds' shareholders may have known the Kingate Funds were exclusively invested with BLMIS, neither of the Kingate Funds disclosed BLMIS or Madoff by name in the annual Information Memoranda sent to potential shareholders.
- Madoff, Ceretti responded that was a "sticky issue." In an email dated November 21, 2008, to FIM Advisers' employee Alessandro Albrighi, with a copy to Ceretti, Grosso responded to concerns raised by an analyst regarding Madoff's lack of transparency by explaining one of the Kingate Funds' roles: "[i]t is true that investors do not have direct access to Madoff, who tolerates structures like Kingate to act as buffers between Madoff and investors." FIM's investment committee considered a fund manager's persistent refusal to meet investors as a sign of a high probability of fraud. On at least one occasion, this circumstance prompted FIM to recommend liquidating the holdings with the fund manager.
- 121. In July 2006, BISYS noted a discrepancy in the net asset valuations of the Kingate Funds. Shazieh Salahuddin at Kingate Management telephoned DiPascali for an explanation. Salahuddin found DiPascali's explanation unsatisfactory and expressed her concern to Ceretti and Grosso. Rather than address Salahuddin's concern, Ceretti instructed her that all concerns should be raised with Kingate Management. Wetherhill did not resolve the discrepancy but reassured Ceretti and Grosso by indicating Wetherhill had spoken with DiPascali.

B. FIM's High Due Diligence Standards

122. FIM promoted itself as having a high standard of due diligence. FIM Advisers' website described it as "a leading alternative investment company . . . [with] more than twenty

five years of experience in asset management, with almost fifteen years of advising and managing portfolios of hedge funds." The website further stated that "FIM's investment model is based upon a disciplined and structured approach to research, portfolio management, and risk management. The model gives FIM a clear edge in the sourcing of new managers, in conducting in-depth due-diligence, and in structuring portfolios."

- 123. FIM undertook extensive due diligence by regular reviews of markets, strategies, managers, and peer groups. FIM required its research specialists to conduct in-depth analysis into every aspect of every potential investment. FIM subjected each portfolio to continuous analysis to ensure that all risk factors were identified and controlled, and that all internal and external management portfolio policies were followed. Risk management was integral to all of FIM's procedures to ensure "that the manager remains within his own investment limits, and that the fund is being managed according to its stated objective, without developing unexpected risk exposures or strategy drift."
- 124. FIM employed what it referred to as "four limbs" of due diligence: qualitative, legal, quantitative, and operational, with each limb having a dedicated team. Its operational and legal due diligence abilities included monitoring "the effectiveness of the systems and procedures used to value the investment portfolio, the independence of the pricing of the portfolio, the effectiveness of the reconciliations performed" and the prime broker arrangement with the fund. Its qualitative and quantitative analysis group monitored the risk of both the portfolio and the individual funds within the portfolio. FIM's portfolio management group monitored financial information on a weekly basis and compiled it in a database.
- 125. Under FIM's standard procedures and using a FIM-created template, each due diligence team had to create a report for every fund in its respective areas of expertise. Those

four reports would then be combined to create a single report, usually 45-50 pages long that would ultimately be presented to the investment committee. FIM spreadsheets applied a scoring system for each of the various "limbs" of due diligence to assist the FIM analysts in evaluating each fund. FIM would not invest in a fund until it completed those due diligence procedures.

- 126. If a FIM analyst had a concern with an investment, the issue was discussed and more closely monitored, typically with weekly or bi-weekly contact with the fund manager. If a concern persisted for three months, the investment committee's policy was to redeem the investment.
- 127. In an August 2007 report, FIM recommended liquidating an investment that its analysts described as "too good to be true" and had "a limited downside" that made them feel "uneasy." FIM records show that an investment adviser with lack of transparency, lack of independent oversight, and operational issues, and an investment result with low correlation with peer funds were causes for concern. Those characteristics also were present in BLMIS.
 - C. The Defendants Knew That FIM's High Due Diligence Standards Were Not Applied To BLMIS And The Kingate Funds
 - 128. FIM never created a "four limb" due diligence report for the Kingate Funds.
- 129. There were no substantive discussions of the Kingate Funds or BLMIS at FIM's investment committee meetings or monthly strategy meetings.
- 130. FIM's due diligence included reporting on fund style, performance, operations, returns, and relevant research for each active position held by its investment funds. A March 2008 FIM Long-Invest report on 31 holdings, including Kingate Global, had detailed information on only 30 holdings; Kingate Global's page is blank.
- 131. In March 2008, an investor emailed Kingate Management requesting a due diligence questionnaire, presentation material, and monthly performance and exposure data.

Ceretti and Grosso were the point of contact for questions relating to the business of the Kingate Funds and/or BLMIS's portfolio activity. Salahuddin forwarded the email to Grosso, Ceretti, and Wetherhill, noting that Kingate Management does not have "half the things" requested, such as a standard due diligence questionnaire.

- 132. In an email to an investor, Grosso acknowledged that "the Kingate Fund . . . has a somewhat unusual structure, and that as a consequence, there are a number of operational D[ue] D[iligence] points that may not be answered to your total satisfaction." An email sent by Grosso in November 2008 to FIM's Head of Operational Due Diligence, Eric Lazear ("Lazear"), acknowledged "[w]e have never done much [due diligence on Kingate], as it will be impossible to go inside Madoff to do a proper D[ue] D[iligence]."
 - 133. After breaking news of Madoff's fraud, Lazear wrote to Grosso:

I know we have to do what is right for FIM, but we need to be cognizant of how this portrays our (FIM) process. [Kingate] is not a fund that went through our normal diligence process and I think it should not be depicted as if it had. We all worked hard to build our process to be the best in the industry, which I think it is, and I do not want it to get out there that one slipped past us when it did not.

- 134. In a December 12, 2008 email, Lazear stated that he believed BLMIS was a "scam" and that he had emailed Grosso "all the details" to support his beliefs *before* Madoff confessed. He recounted telling Grosso that if Grosso did not own FIM and the Kingate Funds, Lazear would have vetoed any investment with BLMIS.
 - D. Ceretti, Grosso, The Kingate Funds, And The Management Defendants Knew That A Proper Audit Of The Kingate Funds By PricewaterhouseCoopers Would Expose Major Badges Of Fraud At BLMIS
- 135. Ceretti, Grosso, the Kingate Funds, and the Management Defendants knew as early as 2000 that PricewaterhouseCoopers ("PwC"), the Kingate Funds' auditor, relied solely on reports from Madoff's auditor and did not independently verify any information. Grosso knew

that PwC only checked "the testing at Madoff" against the Kingate Funds' records (also provided by BLMIS).

136. In a February 2008 email, Grosso conceded to Wetherhill that it "does look as though the auditors have not looked at all into the matter of cash and cash movements [sic] controls. Several questions have not been addressed" In a separate February 2008 email to Wetherhill, Grosso expressed his concern that PwC might actually "start to ask all sort [sic] of questions next time they visit Madoff."

E. Ceretti, Grosso, And FIM Attributed BLMIS's Remarkably Consistent Returns To Illegal "Front Running"

- 137. In 2001, an investment industry analyst published a newsletter that called into question the legitimacy of BLMIS's SSC strategy. The May 2001 MAR/Hedge newsletter titled "Madoff Tops Charts; Skeptics Ask How" stated that experts were bewildered by Madoff's unsurpassed ability to achieve consistent returns. The article observed that "others who use or used the strategy are known to have had nowhere near the same degree of success."
- 138. Defendants' response was a "question and answer" document prepared by Grosso for FIM employees marked "INTERNAL NOTE NOT FOR DISTRIBUTION." The document scripted answers to potential questions from shareholders about the "red flags" of fraud at BLMIS, including:
 - (i) "How can there be such a relative complete lack of volatility in reported monthly returns?"
 - (ii) "How can Madoff have the ability to time the market and to turn to cash before market conditions become negative?"
 - (iii) "How can Madoff have the ability to buy and sell stocks without noticeably affecting the market?"
 - (iv) "Why has no-one been able to duplicate similar results?"

- (v) "How come other Wall Street firms have not become aware of the strategy and traded against it?"
- (vi) "Why is Madoff willing to earn commissions on trades, but not set up a separate asset management division to offer hedge funds directly to investors?" and
- (vii) "Why doesn't Madoff borrow money and manage funds on a proprietary basis?"
- 139. In response to the question "[h]ow can Madoff have the ability to time the market and turn to cash before market conditions become negative," Grosso responded by referring to illegal front running: "Madoff benefits from unique market intelligence derived from the massive amount of order flow it handles daily."
- 140. Similarly, Grosso answered the question "[w]hy has no one been able to duplicate similar results," by alluding to illegal front running: "[B]eing such a large market maker (Madoff currently accounts for about 15% of all equity transactions in the United States), he sees the flows."
- 141. Ceretti, Grosso, the Management Defendants and the Kingate Funds knew the SSC strategy could not achieve the results reported in the Kingate Funds' account statements.

F. Citi Hedge's Calculation Of The Kingate Funds' Net Asset Value Could Not Be Substantiated

142. As administrator for the Kingate Funds, Citi Hedge:

[D]etermines the net asset value of the Fund's Portfolio assets attributable to the USD Shares as of the close of business on the last Business Day of each calendar month. . .[and] verifies the prices attributed to the securities held by the USD Shares of the [Kingate Funds] by reference to pricing sources independent of . . .[BLMIS].

143. In addition to calculating the net asset value ("NAV"), Citi Hedge also performed day-to-day administrative services for the Kingate Funds, including preparing and distributing monthly reports to shareholders, processing new shareholder subscriptions, maintaining the

Kingate Funds' corporate records, disbursing dividends, and paying legal fees, accounting fees, and salaries.

- 144. In 2000, Grosso asked Tom Healy of Hemisphere, Citi Hedge's predecessor, to amend the Kingate Funds' offering memorandum to state that "Net asset valuations . . . are determined by the Administrator based on independent verification regarding the value of the Fund's portfolio assets . . . as of the close of business on the last Business Day of each calendar month." Healy confirmed that "[s]o far this year we have been checking all the trade tickets received from Madoff to the monthly statement and doing a 100% verification of the pricing. Therefore, the proposed statement in the prospectus properly reflects what is actually happening."
- 145. Citi Hedge and its predecessors received at least \$5,902,037 in fees, based on the Kingate Funds' NAV, as shown in Figure 3 below:

Figure 3

IX. CERETTI, GROSSO, THE KINGATE FUNDS, THE MANAGEMENT DEFENDANTS, AND CITI HEDGE KNEW OF IMPOSSIBLE TRADING ACTIVITY AT BLMIS

- A. The Kingate Funds' Account Statements And Trade Confirmations Reflected Myriad Trading Impossibilities And Other Badges Of Fraud
- 146. For over a decade, the Kingate Funds and the Management Defendants received purported trade confirmations and account statements from BLMIS. Those statements and confirmations revealed purported account activity that included trades executed under the SSC strategy that were both impossible and inconsistent with the strategy.
 - 1. Impossibility: The Kingate Funds' Returns Were Impossibly Consistent Over Many Years
- 147. Ceretti, Grosso, the Kingate Funds, and the Management Defendants touted the Kingate Funds' steady performance notwithstanding the volatility in the markets—including the S&P 100 Index, the very market the SSC strategy purportedly mimicked.
- 148. In monitoring the Kingate Funds, FIM compared the Kingate Funds' performance against Standard & Poor's 500 Index ("S&P 500 Index"), which is highly correlated to the performance of the S&P 100 Index. FIM also tracked the Kingate Funds' results against the results of other Madoff feeder funds, such as Fairfield Sentry and Tremont—which Ceretti and Grosso knew were mostly invested with BLMIS.
- 149. The Kingate Funds' implausibly consistent, positive rates of return during events that caused financial markets—including the S&P 100 Index—to plunge, such as: (1) the burst of the "dot com" bubble in 2000; (2) the 2000-2002 bear market, including the disastrous market impact of the attacks of September 11, 2001; and (3) the recession and housing crisis of 2008.
- 150. From April1999 until November 2008, the Kingate Funds averaged annual returns of approximately 12.4%. During that same 116-month period, the S&P 100 Index experienced

55 months of negative returns. The Kingate Funds, which were supposed to have returns mimicking the S&P 100 Index, had negative returns in only five months of the same period.

- 151. The Kingate Funds continued to generate positive returns during the last 14 months of BLMIS's existence, when the S&P 100 Index fell 39.4%. The SSC strategy was designed to moderate any violent swings in the market—this was the purported purpose of the options "collar." Instead, the Kingate Funds profited from a strategy based on short-term trades, an inherently high-risk strategy, where the risk paid off month after month.
- 152. Figure 4 below compares the annual rates of return for the Kingate Funds for the period 1999 to 2008, with the rate of return for the S&P 100 Index, which the Kingate Funds were supposed to mimic:

Figure 4

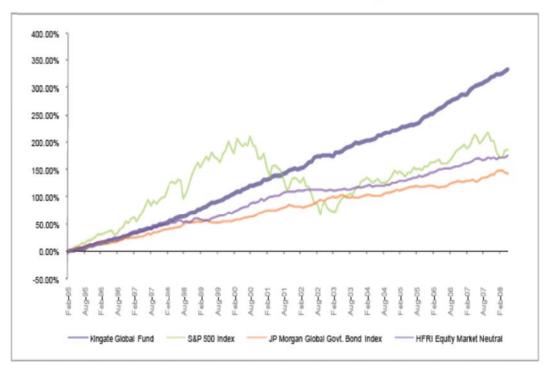

Kingate Funds Rates of Return v. S&P 100 Index Rates of Return 1999-2008

153. The May 2008 fact sheet that the Kingate Funds sent monthly to shareholders compared their returns to that of other indices, including the S&P 500, and reported their findings in a chart replicated below:

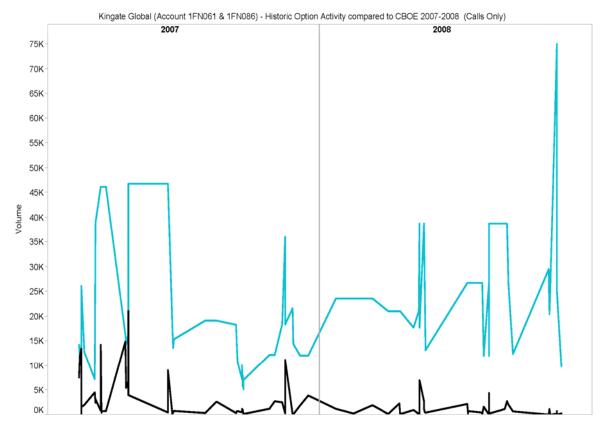

154. Ceretti, Grosso, the Kingate Funds, the Management Defendants, and Citi Hedge knew that if the SSC strategy were based on the S&P 100 Index, it could not produce these results.

2. Impossibility: The Kingate Funds' BLMIS Account Statements Reflected Impossible Options Volume Trading

155. According to the BLMIS account statements and trade confirmations reviewed by Ceretti, Grosso, the Kingate Funds, the Management Defendants, and Citi Hedge, BLMIS was transacting millions of put and call options contracts in the S&P 100 Index ("OEX options"). Based on available information, from 1998 through November 2008, the options trading volume that BLMIS reported for the Kingate Funds' accounts alone exceeded the total number of OEX options traded on the Chicago Board Options Exchange ("CBOE"), for that contract on that day,

91.1% of the time. The chart below illustrates the purported trades for the Kingate Funds in 2007 and 2008, and the real activity in the CBOE at the same time:

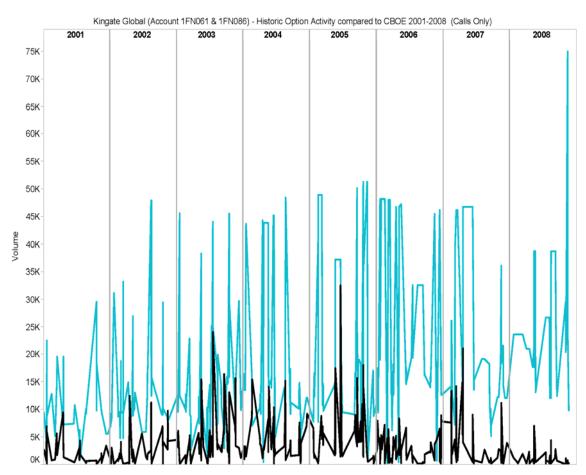

Figure 6

Blue line indicates Kingate Global - Option Volume (Account 1FN061 & 1FN086) Black line indicates CBOE Option Volume

156. Since 2001, the call options purportedly purchased for the Kingate Funds exceeded the CBOE market volume for the same securities, as illustrated below:

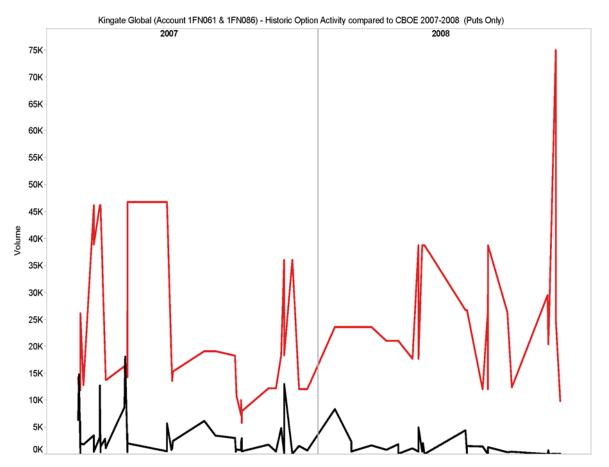

Figure 7

Blue line indicates Kingate Global - Option Volume (Account 1FN061 & 1FN086) Black line indicates CBOE Option Volume

- 157. On June 15, 2001, for OEX call options with a July expiration and a strike price of 630, the entire market volume for the CBOE was 490. On behalf of Kingate Global alone, BLMIS purportedly sold 6,271 OEX call options, which was nearly 13 times the volume traded for the entire market. On the same day, for OEX put options with a July expiration and a strike price of 624, the entire market volume for the CBOE was 1,149. On behalf of Kingate Global alone, BLMIS purportedly purchased 6,271 OEX put options.
- 158. Similar impossibilities are evidenced by looking at the put option volume purportedly traded for the Kingate Funds compared to the CBOE. The graph below illustrates the put options purportedly traded for the Kingate Funds in 2007 and 2008, compared to the volume traded of the CBOE:

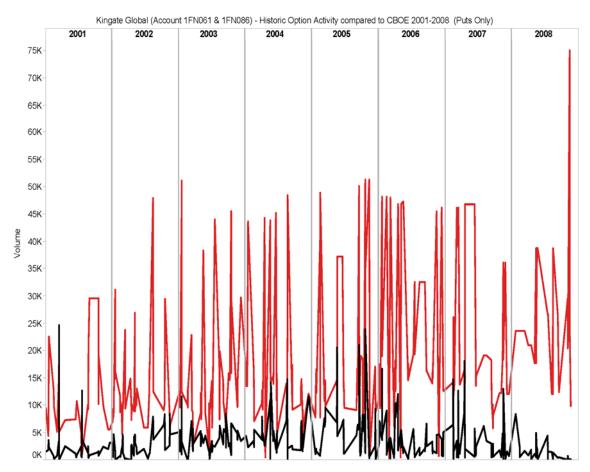

Figure 8

Red line indicates Kingate Global - Option Volume (Account 1FN061 & 1FN086) Black line indicates CBOE Option Volume

159. The following chart shows the Kingate Funds' impossible purported trading volume of OEX put options from 2001 to 2008, contrasted with the actual trading of the same put options executed on the CBOE:

Figure 9

Red line indicates Kingate Global - Option Volume (Account 1FN061 & 1FN086) Black line indicates CBOE Option Volume

- 160. On January 16, 2004, BLMIS purportedly purchased 9,088 OEX put options (with a February expiration and a strike price of 560) for Kingate Euro, when the total volume traded on the CBOE for those OEX put options for that day was 2,324. Also on that day, BLMIS purportedly sold 9,088 OEX call options (with a February expiration and a strike price of 570) for Kingate Euro, when the total volume traded on the CBOE for those OEX call options for that day was 1,515.
- 161. The occurrence of an OEX option trading at more than 50% of the total volume traded on the CBOE would be an aberration. Yet, from 1998 to 2008, there were at least 1,162 options trades exceeding the entire volume for comparable options traded on the CBOE in the Kingate Funds' accounts alone. When verifying the Kingate Funds' purported trading activity, Ceretti, Grosso, the Management Defendants, the Kingate Funds and Citi Hedge could not believe that it was possible to trade above the market volume for any security even once.
- 162. Exchange-traded securities, including options traded on the CBOE, have a unique identifier known as a "CUSIP" number, which allows traders to quickly access electronic information regarding a transaction. Options traded over the counter ("OTC") are not assigned a CUSIP number. Despite that fundamental difference, and notwithstanding Madoff's claim that the trades were private OTC transactions, the BLMIS trade confirmations reviewed and verified by Ceretti, Grosso, the Kingate Funds, the Management Defendants, and Citi Hedge all included a CUSIP number indicating that the options were traded on the CBOE. Ceretti, Grosso, the Kingate Funds, the Management Defendants, and Citi Hedge knew that BLMIS was not trading in the OTC market.

3. Impossibility: The Volume Of BLMIS's Reported Equity Trades

163. In January 2000, Ceretti had information that BLMIS's assets under management were estimated at \$10 billion. Ceretti, Grosso, the Kingate Funds, and the Management

Defendants knew, therefore, that the Kingate Funds' investments with BLMIS would comprise at least 12.7% of Madoff's total assets.

- 164. In August 2006, when BLMIS registered as an investment adviser, it represented that it had approximately \$11.7 billion of assets under management as of the end of July 2006. BLMIS stated that it managed \$13.2 billion as of the end of 2006. The Kingate Funds' account statements from BLMIS reported balances of approximately \$2.8 billion as of July 2006, and \$3.0 billion as of December 2006. Based on the reported \$13.2 billion in assets under management, Ceretti, Grosso, the Kingate Funds, the Management Defendants, and Citi Hedge knew that as of July 2006 and year-end 2006, the Kingate Funds comprised no more than 24.4% and 22.7%, respectively, of BLMIS's assets under management.
- 165. Because BLMIS purported to execute the SSC strategy in block trades and then allocate the shares or options across all of its accounts, Ceretti, Grosso, the Kingate Funds, the Management Defendants, and Citi Hedge knew that the aggregate volume of trades purportedly executed by BLMIS was over four times the volume BLMIS claimed to have traded for the Kingate Funds.
- 166. The Kingate Funds' account statements, reviewed and verified by Ceretti, Grosso, the Kingate Funds, the Management Defendants, and Citi Hedge, indicated that from 1998 through 2008, at least 237 times, BLMIS's purported individual stock trades for the Kingate Funds purportedly exceeded 10% of a stock's trading on the entire composite tape, which includes all listed and unlisted market volumes. That trading result is highly improbable, if not impossible.
- 167. On September 22, 2006, BLMIS purportedly traded for the Kingate Funds 618,792 shares of Wells Fargo & Company (WFC), comprising 17.4% of the total shares traded

on the composite tape. With the Kingate Funds accounting for approximately 24% of the reported assets that BLMIS purportedly was trading, Ceretti, Grosso, the Kingate Funds, the Management Defendants, and Citi Hedge thus knew that BLMIS was purportedly trading over 70% of the shares of WFC traded that day. That trading result is highly improbable, if not impossible.

- 168. Any trade comprising 50% of the market of any one S&P 100 Index equity in one day is highly improbable, if not impossible. Ceretti, Grosso, the Kingate Funds, the Management Defendants and Citi Hedge reviewed and verified at least five separate transactions between 2006 and 2008 where BLMIS traded over 50% of the shares for an equity on the S&P 100 Index.
- 169. Trading volumes at the levels reported by BLMIS would have moved the price of that stock significantly. No such movement was apparent, because no trades were ever made. The opening price for WFC on September 22, 2006, was \$36.28. BLMIS purportedly sold over 2.5 million shares of WFC that day for a weighted average price of \$36.22. The closing price for those shares was \$36.01. The price of that stock was unaffected by BLMIS's purported trades. Despite purportedly trading over 70% of the shares throughout the day, BLMIS was still able to sell at a price above the midpoint.

4. Impossibility: BLMIS Purported To Sell Equities and Options Outside The Daily Reported Price Ranges

170. In an April 2010 meeting with the Kingate Funds' liquidators, Grosso explained that FIM would conduct an extensive analysis of the Kingate portfolio on a monthly basis, which included comparing the prices of the trades with the range of prices of the day on which the trades took place. Ceretti, Grosso, the Kingate Funds, the Management Defendants, and Citi

Hedge also reviewed the BLMIS trade confirmations monthly. The trade confirmations showed the prices for every purchase and sale of stocks and options.

- 171. At the end of each month, Kingate Management received the BLMIS account statements. Kingate Management then prepared spreadsheets detailing the month's trading activity and identifying equities, options, Treasury Bills, and dividends. Kingate Management forwarded those spreadsheets to FIM.
- 172. Those spreadsheets identified whether BLMIS trades were "within range," *i.e.*, whether each trade fell within the daily low and high prices for the stock on that day.
- 173. BLMIS purported to make at least 281 "out of range" equity and options trades for the Kingate Funds from 1998 to 2008. In at least 281 instances, the pricing "verified" by Citi Hedge and the Management Defendants for a particular security was outside the range of prices at which that security traded on that particular day.
- Intel Corporation (INTC) for Kingate Global and 240,240 shares for Kingate Euro, with a settlement date of October 7, 2003. BLMIS trade confirmations indicated that those shares were purchased on October 2, 2003 for \$27.59 per share. However, the price for INTC on October 2, 2003 ranged from a low of \$28.41 to a high of \$28.95. Ceretti, Grosso, the Kingate Funds, the Management Defendants, and Citi Hedge knew from the Kingate Funds' own statements, therefore, that Madoff was lying—he could not have purchased shares at a lower price than the lowest price for the day. If the Kingate Funds had purchased over 1.2 million shares of INTC on that date, the range between the high and low would have been significantly greater than the \$0.54 difference between \$28.41 and \$28.95, because \$27.59 is \$0.82 lower than the low for that day.

- 175. The Kingate Funds' account statements for December 2006 reported sales of 233,281 shares of Merck (MRK) for Kingate Global, and 60,449 shares of MRK for Kingate Euro, with a settlement date of December 28, 2006. The Kingate Funds' trade confirmations indicated that those shares were sold on December 22, 2006 for \$44.61. On December 22, 2006, shares of MRK traded at a high of \$43.42 and a low of \$42.78.
- 176. BLMIS reported at least 836 trades of Treasury Bills outside the daily price range by at least 1 basis point, and at least 144 trades outside the daily price range by at least 10 basis points.
- 177. Ceretti, Grosso, the Kingate Funds, the Management Defendants, and Citi Hedge reviewed and verified thousands of trades outside of the daily range, none of which could be the result of legitimate trading activity.
 - 5. Impossibility: Madoff's Statistically Impossible Execution When Allegedly Buying And Selling Stocks
- 178. The Kingate Funds' trade confirmations and account statements revealed that Madoff consistently purchased equities at or near monthly lows and sold equities at or near monthly highs.
- 179. Madoff claimed that he was time slicing, *i.e.*, entering the market at different times throughout a trading day, and that the equity price reported on an account statement reflected the average price. When Madoff claimed to be purchasing equities, the reported average price was almost always in the lower half of the daily trade range, and when he claimed to be selling equities, the sale price was almost always in the upper half of the daily trade range.
- 180. The Kingate Funds' account statements and trade confirmations indicate that from 1998 to 2008, approximately 81% of equity buys occurred in the lower half of the daily price range, and approximately 74% of equity sales occurred in the upper half of the daily price range.

This consistent execution was statistically impossible, because if Madoff were purchasing or selling a stock several times throughout the trading day, the reported prices would have gravitated toward the daily midpoint.

- 181. On October 7, 2003, BLMIS purported to purchase 719,516 shares of Wal-Mart Stores Inc. (WMT) for the Kingate Funds at a price of \$57.76. The low for WMT that day was \$57.71, and the high was \$58.90. The volume weighted average price was \$58.46. The Kingate Funds' purported purchase would have been roughly 10% of the traded volume for WMT on that day. It was statistically impossible for BLMIS to have purchased that many shares of WMT for that price on that day.
- 182. Ceretti, Grosso, the Management Defendants, the Kingate Funds, and Citi Hedge knew that Madoff claimed to be time slicing, and that reported stock prices from multiple purchases or sales of a stock throughout a trading day would gravitate toward the daily midpoint.
 - 6. Badge Of Fraud: BLMIS Avoided SEC Reporting Requirements By Consistently Claiming To Be Out Of The Market At Quarter-End And Year-End Even Though Such Investment Behavior Was Inconsistent With The SSC Strategy
- 183. Various SEC reporting requirements are triggered when securities are invested in the market at either the end of the quarter or the end of the year. To evade those reporting requirements, Madoff purported to liquidate all investments at those times and invest the proceeds in Treasury Bills.
- 184. Ceretti, Grosso, the Kingate Funds, the Management Defendants, and Citi Hedge reviewed and verified BLMIS statements, and thus knew that the Kingate Funds purportedly were invested in Treasury Bills at every quarter-end and year-end.
- 185. Madoff's practice of exiting the market according to the calendar, rather than market or economic indicators, was a badge of fraud. Ceretti, Grosso, the Kingate Funds, the

Management Defendants, and Citi Hedge knew Madoff touted "market-timing" as a cornerstone of the SSC strategy and that Madoff's practice of liquidating all stocks and options at quarter-end and year-end contravened that strategy.

7. Badge Of Fraud: Madoff's Purported Options Trades Were Inconsistent With The SSC Strategy

- 186. As part of the SSC strategy, Madoff claimed to buy put options and sell call options to hedge losses on the underlying basket of equities. On 126 occasions, the Kingate Funds' account statements purported to show gains resulting from transactions inconsistent with the SSC strategy. Certain of those transactions involved short-term speculative options trading that resulted in substantial gains for the Kingate Funds.
- 187. In 2008, Kingate Global and Kingate Euro each participated in two such "trades" that generated gains of approximately \$25.5 million and \$8.8 million, respectively. Those transactions represented approximately 11% of the total returns for the Kingate Funds in 2008. One of those trades reflected on each of the Kingate Funds' account statements showed an option trade in the middle of the month that accounted for 50% of the returns for that month. Those gains purportedly were achieved through speculation in the options market.
- 188. Between 1996 and 2008, Kingate Global and Kingate Euro purportedly achieved gains over \$136 million and \$32 million, respectively, from such trades, which were inconsistent with the SSC strategy. Ceretti, Grosso, the Kingate Funds, the Management Defendants, and Citi Hedge knew that speculative options trading, and the substantial gains such trading purportedly achieved, contradicted the SSC strategy.
- 189. Additionally, the SSC strategy required that the put and call "collar" be adjusted to reflect changes in the basket of equities if some of the underlying equities were sold before liquidation of the entire basket. BLMIS's falsified account statements indicated that BLMIS

often sold out of an equity position prior to liquidating the entire basket and did not adjust the collar for that sale. Between January 2000 and November 2008, the composition of underlying equities for the Kingate Funds changed without a corresponding adjustment to the collar approximately 64 times.

- 190. Ceretti, Grosso, the Kingate Funds, the Management Defendants, and Citi Hedge knew that many of BLMIS's options trades contravened Madoff's SSC strategy.
 - 8. Badge Of Fraud: The Kingate Funds' Trade Confirmations
 Frequently Contained Settlement Anomalies In Purported Options
 Transactions
- 191. Ceretti, Grosso, the Kingate Funds, the Management Defendants, and Citi Hedge ignored reported options transactions made for the Kingate Funds that settled in a time range outside of industry norms. According to industry standards, the settlement date for listed options is the business day following the trade date, referred to as T+1. Even if the trades were made in the OTC market, Madoff claimed the terms were identical to exchange-traded options requiring the same settlement terms.
- 192. At least 555 of the 2,149 total options contracts reportedly executed for the Kingate Funds between 1998 and 2008 settled outside the normal period of T+1, thereby failing to comply with standard trading practices.
- 193. Ceretti, Grosso, the Kingate Funds, the Management Defendants, and Citi Hedge reviewed and verified the trades with these irregularities that departed from the industry norm.
 - 9. Badge Of Fraud: The Dividend Activity Shown On Customer Statements Was Inconsistent With The Dividend Activity Sophisticated Investors Would Expect
- 194. Certain equities that BLMIS purportedly purchased paid dividends. At various times when not in the market, customer funds were purportedly invested in a money market fund

that also paid dividends. On 432 occasions, the Kingate Funds' account statements reflected payments of dividends on dates and/or in frequencies inconsistent with industry practice.

- 195. Kingate Global's account statements showed purported dividends from money market funds being paid on 217 occasions from December 1995 to November 2008. On 212 of those occasions, *i.e.*, 97.7%, the statement showed a payment date for those dividends that differed from the date on which the money market fund actually paid dividends.
- 196. Kingate Euro's account statements showed dividends from money market funds being paid on 226 occasions from February 1996 to November 2008. On 220 of those occasions, *i.e.*, 97.3% of the time, the customer statements showed a payment date for those dividends that differed from the date on which the money market fund paid dividends.
- 197. Typically, money market funds declare dividends daily and pay such dividends monthly. If an entity transacts in a money market fund multiple times in one month, that activity is tracked, the proper dividend is accrued for the days invested, and the dividend is paid at one time. BLMIS's account statements issued to the Kingate Funds, however, showed a dividend being paid upon each sale transaction of the money market fund. The Kingate Global account statements showed multiple dividends from the same money market fund in 40 of 156 months, *i.e.*, 25.6%. Similarly, the Kingate Euro account statements showed multiple dividends from the same money market fund in 43 out of 155 months, *i.e.*, 27.7%.
- 198. Ceretti, Grosso, the Kingate Funds, the Management Defendants, and Citi Hedge reviewed and verified statements showing highly improbable, if not impossible, dividend payments.

- 10. Badge Of Fraud: The Kingate Funds' Account Statements Reflected Illegal Margin Trades
- 199. When a customer purchases assets, that purchase must be made with the customer's available funds. When a customer purchases securities, the value of which exceeds the cash value of that customer's account, the customer is said to be buying on "margin." The Kingate Funds did not have a margin account with BLMIS.
- 200. Between 1998 and 2008, the Kingate Funds' cash accounts with BLMIS showed a negative balance on 220 separate occasions over approximately 609 days. These negative balances were the result of illegal margin trades Madoff purported to make on behalf of the Kingate Funds.
- 201. For two days in July 1999, the Kingate Global account had a negative balance of \$28,421,606. The average negative balance was \$13,815,039 for six days in June of 2004. During those same respective time periods, the Kingate Euro account had an average negative balance of \$5,272,252 and \$3,742,508.
- 202. The negative balances resulted from: (i) the purported purchase of equities that exceeded the value of the Treasury Bills purportedly sold to fund the purchase of a stock or put option; (ii) the purported purchase of put options before the purported sale of call options necessary to fund the purchase of the put options; or (iii) cash being withdrawn prior to the purported sale of equities to fund the withdrawal.
- 203. For example, on January 29, 1998, BLMIS purported to purchase equities for Kingate Global's account but did not sell Treasury Bills necessary to fund the purchase until the next day, which resulted in a negative cash balance of \$2,369,373.46. Trading confirmations likewise showed a move into equities before the Kingate Funds obtained cash from the sale of Treasury Bills to fund that purchase.

- 204. On January 20, 2006, Kingate Global withdrew \$35 million from its BLMIS account, resulting in an average negative balance in the account of \$25,403,644 for 11 days.
- 205. BLMIS never charged the Kingate Funds margin interest. As sophisticated and experienced investors and financial institutions, Ceretti, Grosso, the Kingate Funds, the Management Defendants, and Citi Hedge knew BLMIS's apparent interest-free "loans" of tens, if not hundreds, of millions of dollars, when their accounts had insufficient balances to cover the purchase price of the securities and/or cash withdrawals, evidenced fraudulent activity at BLMIS, or at a minimum suggested a high probability of fraud.

B. Defendants Acquired Knowledge Of Fraudulent Activity At BLMIS From Various Sources In Addition To The BLMIS Account Statements

1. Lack Of Scalability

- 206. Based upon their experience and sophistication in investment management, Ceretti, Grosso, the Kingate Funds, the Management Defendants, and Citi Hedge knew that in the financial markets, scalability is the ability of an investment strategy to handle higher trading volumes or growing assets under management. As assets under management increase and a fund grows, it becomes more difficult for the fund to find opportunities of a scale proportional to the fund's size.
- 207. In a meeting in 1999, Grosso informed Island Storm Limited, a potential investor, that BLMIS had about \$6 billion to \$8 billion in assets under management.
- 208. Ceretti, Grosso, the Kingate Funds, the Management Defendants, and Citi Hedge knew that Madoff's SSC strategy, which purportedly capitalized on inefficiencies in the S&P 100 Index, was inherently limited, as the equities on which the strategy was based were among the most efficiently traded and carefully tracked stocks on the market.

- 209. The SSC strategy was not scalable for the amount of BLMIS's purported assets under management. To execute the SSC strategy with at least \$8 billion of assets under management, BLMIS would have needed approximately \$8 billion in notional value in call options. Between 2000 and 2008, there were not enough options on the entire market to implement Madoff's purported SSC strategy at any point in time.
- 210. Ceretti, Grosso, the Kingate Funds, the Management Defendants, and Citi Hedge knew that the SSC strategy could not sustain a fund the size of BLMIS's scale, and continue to deliver such consistent returns.
 - 2. Purported Options Contracts Entered Into By The Kingate Funds Did Not Identify Counterparties
- 211. Options trades that are made in the OTC market are pursuant to private contracts between a party and a counterparty. At times, Madoff claimed to be trading options in the OTC market, which would have required BLMIS to enter into private, individually negotiated, arm's-length contracts with willing counterparties. If the counterparty failed to perform, the Kingate Funds, not BLMIS, would be exposed to the risk.
- 212. BLMIS identified no counterparties to the Kingate Funds. No experienced investor or financial institution, such as Ceretti, Grosso, the Kingate Funds, the Management Defendants, or Citi Hedge, would knowingly accept the excessive risk of unidentified counterparties to options contracts.
- 213. Madoff claimed that counterparties entered into agreements identical to those executed by BLMIS's investors, and he also declared that counterparties were obligated to deposit Treasury Bills as collateral for performance. But Ceretti, Grosso, the Kingate Funds, the Management Defendants, and Citi Hedge saw no such agreement, and they never requested or received any confirmation of where and how those Treasury Bills were posted.

- 214. Grosso represented to shareholders that Madoff used 20 to 30 counterparties and that they "comprise the usual suspects." Grosso, Ceretti, the Kingate Funds, the Management Defendants, and Citi Hedge did not and could not identify the options counterparties.
- 215. Madoff also claimed that counterparties took an investor's equity positions as collateral for performance, in direct contradiction to Madoff's representation that a counterparty could not seize a BLMIS investor's equity positions. Madoff's representation was false, because there was no restriction on an investor's right to withdraw funds from, or close out, its account, thus eradicating any rights in collateral that a counterparty could have had.
- 216. Because BLMIS allegedly traded options in large blocks and then divided the contracts proportionally among its investors, a counterparty would not know upon which party it was relying for performance. Ceretti, Grosso, the Kingate Funds, the Management Defendants, and Citi Hedge knew this was a badge of fraud.

3. BLMIS Lacked Independent Oversight And Customary Internal Controls

- 217. Grosso claimed in a 2007 investment publication that FIM Advisers is "risk conscious to the point of being obsessive," and that FIM Advisers considers "operational risk to be as much of a threat as market or strategy risk." Ceretti noted the high percentage of single-manager failures that were related to operational risk. According to that publication, FIM Advisers had terminated managers for growing beyond their operational support structure.
- 218. Ceretti, Grosso, the Kingate Funds, the Management Defendants, and Citi Hedge knew that BLMIS performed multiple roles in the fund process—it was the investment adviser, custodian, and broker-dealer that initiated and executed the purported trades. There was neither an independent custodian to hold and assure the proper segregation of assets nor an independent third-party to verify the existence of assets, transactions and their value.

- 219. When a Hemisphere employee told Ceretti in May 2000 that a potential investor was concerned with Madoff's role as both broker and manager, Ceretti responded "keep them away from now on and let me know if they contact you again."
- 220. In an operational due diligence report created in or about 2004, FIM acknowledged the lack of internal controls by listing Kingate Global as "[b]elow expectations" for fund legal set-up and corporate governance. In 2007, FIM expanded its conclusion, stating "[t]here is a lack of independent oversight of the fund as there is no prime broker and the comanagers have delegated substantially all of the trading authority to the advisor." FIM noted further that the Kingate Funds' administrator relies "on information provided by the advisor and as such this compromises the independent nature of the service. The same applies to FIM's analysis of the performance."
- 221. According to its regulatory filings with the SEC, BLMIS lacked the staff necessary to perform its purported investment adviser functions, including monitoring and researching the markets, executing the equities and options trades in accordance with the SSC strategy, and taking and verifying custody of securities.
- 222. In light of their own experience and knowledge of the industry, the knowledge acquired through frequent contacts with Madoff, people in his inner circle and representatives of other funds investing with BLMIS, and visits to the IA Business premises, Ceretti, Grosso, the Kingate Funds, the Management Defendants, and Citi Hedge knew or willfully blinded themselves to the fact that BLMIS lacked the personnel necessary to conduct research on the investment opportunities, execute the purported trades in the IA Business, and manage the billions in assets it purportedly had under management.

- 4. Ceretti, Grosso, The Kingate Funds And The Management
 Defendants Knowingly Ignored The Warnings Of Fraudulent Activity
 At BLMIS Raised By Third Parties
- 223. In January 2005, Ceretti knew that Credit Suisse had advised its clients to sell funds invested with BLMIS because the investment strategy was too risky.
- 224. In 2007, Merrill Lynch informed FIM directly that it would not invest with the Kingate Funds because of concerns with Madoff.
- 225. In June 2008, HSBC issued a warning about the Kingate Funds due to the lack of communication and information coming from Madoff regarding his strategy and the IA Business. Grosso dismissed the HSBC analyst as a "junior guy" and a "joker" for "rehashing old arguments" against Madoff. Grosso admitted that such concerns about Madoff were "not new" and that "[t]his has been going on for 20 years." Ceretti communicated directly with an HSBC Monaco representative, "remind[ing] them that they [HSBC] are [] administrator of Kinagate [sic] and sevral [sic] other funds and that also several clients are banking with them" The HSBC Monaco representative reassured Ceretti that people would be fired for issuing the warning.
- 226. In November 2008, Grosso was informed by another analyst of his concerns about BLMIS's lack of transparency and Madoff's possible conflict of interest. Grosso attacked that analyst's professionalism and experience and dismissed the analyst's concerns, stating that it was "quite evident that [the analyst] has only a very limited knowledge of options strategies, as well as a very imperfect understanding of the Kingate structure, and possibly a poor understanding of the U.S. broker-dealer industry, its structure, functioning, and regulation."
 - 227. Each one of these warnings required due diligence into BLMIS.

- 5. BLMIS, Known As A High-Technology Firm, Provided Only Time-Delayed Paper Statements
- 228. Investment managers typically have technology and systems in place that allow clients to obtain account statements, balances, and other details electronically. By at least June 2000, granting clients electronic access to their accounts was industry practice, particularly because of the Electronic Signatures in Global and National Commerce Act, 15 U.S.C. § 7001, which permits using electronic records to comply with federal law. Throughout the 2000s, consumers were also conducting transactions and accessing their checking and savings accounts online.
- 229. Although it was customary in the industry, and although Madoff held himself out as a pioneer of electronic trading technology, he did not provide his customers with electronic access to their accounts. BLMIS instead used outmoded technology and provided only printed account statements and paper trade confirmations sent by U.S. mail, three to four days after the trades purportedly occurred. That practice enabled Madoff to pick trades, prices, and securities for customer statements using historical trading data.
- 230. As early as 1997, a Hemisphere employee informed Grosso that Hemisphere ordinarily received Madoff's pricing information six working days after the trade occurred.
- 231. Ceretti, Grosso, the Kingate Funds, the Management Defendants, and Citi Hedge knew Madoff was technologically savvy, and BLMIS's failure to provide electronic access to the Kingate Funds' accounts was inexplicable. Grosso proclaimed BLMIS's technology to be the reason "why someone like Madoff has an advantage over most other traders, due to the fact that it has state-of-the-art trading technology that enables it to take advantage immediately of such [trading] opportunities."

- 232. BLMIS's paper statements, reviewed and verified by Ceretti, Grosso, the Kingate Funds, the Management Defendants, and Citi Hedge, did not furnish standard information, such as opening account balances, trade dates, commissions charged, or ticker symbols for the equities. As sophisticated and experienced investors and financial institutions, Ceretti, Grosso, the Kingate Funds, the Management Defendants, and Citi Hedge knew that the paper statements were deficient and contrary to industry practice.
- 233. The use of paper statements that omitted standard information allowed BLMIS to purport to trade a security after Madoff could see actual market activity, and indicated a high probability of fraud at BLMIS.
 - 6. Madoff's "Strip Mall" Auditor Was Not Qualified Or Capable Of Auditing A Global Investment Management Company With Billions Of Dollars Under Management
- 234. An auditor reviews the financial statements of the audited firm and determines whether they are fairly stated under generally accepted accounting principles. The Kingate Funds employed a well-known and reputable auditor, PwC.
- 235. Ceretti, Grosso, the Kingate Funds, and the Management Defendants knew that BLMIS, with tens of billions of dollars under management, was audited by Friehling & Horowitz, a "small [firm] in Rockland [C]ounty."
- 236. Ceretti, Grosso, the Kingate Funds and the Management Defendants did not independently confirm whether Friehling & Horowitz was adequately staffed, technically equipped, professionally qualified, or otherwise capable of providing large-scale domestic and international auditing services to BLMIS and the billions it had under management.
- 237. All accounting firms that perform audit work must enroll in the peer review program of the American Institute of Certified Public Accountants ("AICPA"), and those that do are listed on the public area of the AICPA website. Although it held itself out as a member of

AICPA, Friehling & Horowitz had avoided peer review since 1993 by representing that it did not perform any audit work and, therefore, was not listed on the AICPA website.

238. With billions of dollars in assets under management, BLMIS's use of a small, ill-equipped auditor like Friehling & Horowitz was a clear badge of fraud.

7. Contrary To Standard Industry Practice, Madoff Charged No Management Fees

- 239. BLMIS charged commissions on purportedly executed trades rather than management and performance fees based on assets under management and his performance in executing the SSC strategy. By using a commission-based structure, Madoff inexplicably walked away from hundreds of millions of dollars in fees that every other fund manager would have charged and collected.
- 240. Fund managers typically charge two types of fees for managing a client's assets: a management fee and a performance fee. The management fee is usually a fixed percentage of the assets under management. The performance fee is based on the realized profits. Any other fees incurred by a manager in trading securities on a customer's account are typically charged separately or are included within the management fee.
- 241. Instead of charging a 1 to 2% management fee and a 10 to 20% performance fee, which is typical for fund managers, BLMIS charged only a commission for trades: \$0.04 per share on equity transactions, and \$1.00 per contract on options transactions. By not applying a 1% management and 10% performance fee structure, Madoff lost over \$250 million in fees from the Kingate Funds alone from 1995 to 2008.

X. KINGATE FUNDS' ACCOUNTS IN BANK BERMUDA'S CUSTODY

- 242. The Kingate Funds maintained at least four accounts at Bank Bermuda, including Account # XXX-XXXXXXX-511, Account # XXX-XXXXXXX-512, Account # XXX-XXXXXX-561, and Account # XXXXX353 (collectively, the "Bank Bermuda Accounts").
- 243. Bank Bermuda served as the custodian for the Kingate Funds from 1994 through2008. During that time, BLMIS fraudulently transferred at least \$916 million into the BankBermuda Accounts.
- 244. As of December 2008, the Bank Bermuda Accounts held on behalf of the Kingate Funds approximately \$133 million, of which approximately \$108 million originated from BLMIS.
- 245. Bank Bermuda received at least \$328,798 in fees from the Kingate Funds as shown in Figure 10 below:

- 324. The Kingate Funds acted with actual knowledge of fraudulent activity at BLMIS at the time the Kingate Funds invested with BLMIS. The Kingate Funds' conduct, at the time they invested with BLMIS, enabled Madoff to perpetuate the fraud at BLMIS.
- 325. Alternatively, the Kingate Funds acted with explicit awareness of numerous and serious indications of fraudulent activity at BLMIS, as described in this Complaint.
- 326. By their conduct, the Kingate Funds could not justifiably rely upon the fact that BLMIS was a legitimate business. Thus, the Kingate Funds do not have a claim for restitution or any other valid claim against the BLMIS estate.
- 327. As a result of the Kingate Funds' conduct, as described above, pursuant to section 502(a) of the Bankruptcy Code, the Trustee objects to any and all claims of the Kingate Funds against the BLMIS estate, including the Customer Claims, which claims should be disallowed, and the Trustee asserts that the Kingate Funds are not entitled to equitable distribution from the estate pursuant to section 502(b)(1) of the Bankruptcy Code, and SIPA §§ 78fff(b) and 78fff-1(a).

ELEVENTH COUNT

EQUITABLE SUBORDINATION OF CLAIMS

- 328. The Trustee incorporates by reference the allegations contained in the previous paragraphs of this Complaint as if fully rewritten herein.
- 329. The Kingate Funds engaged in inequitable conduct, including the conduct described in this Complaint, and benefited by the withdrawal of approximately \$925,351,905, during the lifetime of the Kingate Funds' accounts at BLMIS.
- 330. Based on the Kingate Funds' inequitable conduct, BLMIS's customers have been misled as to the true financial condition of BLMIS and have been induced to invest without knowledge of the actual facts regarding BLMIS's financial condition, and/or customers and creditors are less likely to recover the full amounts due to them.
- 331. The Kingate Funds' conduct enabled Madoff to prolong the Ponzi scheme, resulted in injury to all customers and creditors of the BLMIS estate, and conferred an unfair advantage on the Kingate Funds.
- 332. The Court should exercise the full extent of its equitable powers to ensure that the Customer Claims, and any other claims, payments, or benefits, of whatever kind or nature, that are asserted or sought by the Kingate Funds, directly or indirectly against the estate, and only to the extent such claims are allowed, are subordinated for distribution purposes pursuant to sections 105(a) and 510(c) of the Bankruptcy Code to the allowed claims of all other customers and creditors of BLMIS.
- 333. Equitable subordination, as requested herein, is consistent with the provisions and purposes of the Bankruptcy Code.

TWELFTH COUNT

EQUITABLE DISALLOWANCE OF CLAIMS

- 334. The Trustee incorporates by reference the allegations contained in the previous paragraphs of this Complaint as if fully rewritten herein.
- 335. With the knowledge of fraudulent activity at BLMIS, including the conduct described in this Complaint, the Kingate Funds engaged in and benefited from inequitable conduct. By the Kingate Funds' conduct, they have taken unconscionable advantage of, resulting in injury to, innocent customers and other creditors of the estate.
- 336. Based upon the Kingate Funds' failure to deal fairly and in good faith, as described above, all customers and other creditors of BLMIS have been injured, including by being (a) misled as to the true financial condition of BLMIS; (b) induced to invest with BLMIS without knowledge of BLMIS's financial condition; and (c) hindered and delayed in recovering the full amounts due to them. The Kingate Funds' conduct further enabled Madoff to continue the Ponzi scheme.
- 337. The Kingate Funds' conduct was so egregious that they should not be allowed to share in any equitable distribution made by the Trustee to innocent customers holding allowed claims against BLMIS and/or Madoff.
- 338. The Court should exercise the full extent of its equitable powers to ensure that the Customer Claims, and any other claims, payments, or benefits, of whatever kind or nature, which are asserted or sought by the Kingate Funds against the estate, are disallowed.
- 339. Equitable disallowance is consistent with the provisions and purposes of the Bankruptcy Code.

I'm attaching a Services Agreement between FIM Management Limited and Kingate Management Limited (drafted by Philip) which I should be obliged if you could execute on behalf of FIM Management.

This agreement essentially formalises the services to be provided by Shazieh until such time as we have sorted out her work permit for FIM Management in place of Patrick.

Unless you have any questions, can I ask you to print and sign 2 originals of the agreement and forward to Michelle Tuckett at FIM Management, who will arrange for Chris Wetherhill to sign on behalf of Kingate.

Regards

Tom
