

INITIAL INTERIM DISTRIBUTION TO BLMIS CUSTOMERS WITH ALLOWED CLAIMS

The Bankruptcy Court's approval on July 12, 2011 of the initial allocation and distribution enables the Trustee to move forward with payments to BLMIS customers with allowed claims.

The Trustee's intention is to issue payments by the end of the third quarter of 2011, after completing a thorough accounting, reviewing all allowed claims and processing the payments.

A total of approximately \$272 million will be distributed to customers with allowed claims — the average check will be \$222,551.00 — in this initial, interim distribution.
