Statement from the office of Irving H. Picard, SIPA Trustee for the liquidation of Bernard L. Madoff Investment Securities LLC (BLMIS)**Attributable to Heather Wlodek, spokeswoman for Irving H. Picard, SIPA Trustee for the liquidation of Bernard L. Madoff Investment Securities LLC (BLMIS) and his counsel:**

On Friday, June 20, 2025, the SIPA Trustee and his Counsel at BakerHostetler filed the 48th Interim Fee Application with the United States Bankruptcy Court for the Southern District of New York for their work on the global liquidation of BLMIS from December 1, 2024 through March 31, 2025.

- The Application seeks approval of fees, representing approximately 67,471.40 hours of professional and paraprofessional services, which were billed at an average public interest discounted rate of approximately \$575.94 per hour.
- The public interest discount applied represents a reduction of 10 percent from standard rates and it resulted in a total voluntary reduction during the four-month Compensation Period of \$4,317,711.37. Additionally, the SIPA Trustee and BakerHostetler voluntarily adjusted their fees by writing off \$2,677,506.90 (not including the 10 percent public interest discount) and wrote off expenses customarily charged to other clients in the amount of \$95,192.29.
- The fees requested are reasonable based on the customary compensation charged by comparably skilled practitioners in Chapter 11 matters as well as comparable bankruptcy and non-bankruptcy cases in the competitive national legal market.
- After applying the public interest discount, the total fees requested for the period were \$38,859,402.33 (of which \$34,973,462.10 is to be paid currently and \$3,885,940.23 is to be held back through the conclusion of the liquidation period or until further order by the Court). In addition, \$543,753.72 was requested as reimbursement of the actual and necessary costs and expenses incurred by the SIPA Trustee and BakerHostetler in connection with the recovery effort. A \$11,707,242.16 portion of the overall holdback amount of \$23,414,484.33 was requested from the Bankruptcy Court with the consent and approval of the Securities Investor Protection Corporation (SIPC).

As noted in the Fee Application:

- During the Compensation Period of December 1, 2024 through March 31, 2025, without the need for protracted litigation, the SIPA Trustee settled eight cases for \$58,000,000.00. The SIPA Trustee entered into settlements subsequent to the

Compensation Period that have and will bring additional funds into the Customer Fund.

- As of the end of the Compensation Period (March 31, 2025), the SIPA Trustee dismissed 284 Hardship Program applicant-defendants from avoidance actions after reviewing the facts and circumstances presented in each application and through additional information requested and verified by the SIPA Trustee.

The SIPA Trustee has recovered or entered into agreements to recover \$14.765 billion through May 31, 2025. This recovery far exceeds any prior restitution effort related to Ponzi schemes both in terms of dollar value and percentage of stolen funds recovered.

The costs associated with the SIPA Trustee's recovery and settlement efforts are paid by SIPC, which administers a fund drawn upon assessments on the securities industry. No fees or other costs of administration are paid from recoveries obtained by the SIPA Trustee for the benefit of BLMIS customers with allowed claims. One hundred percent of the SIPA Trustee's recoveries will be allocated to the Customer Fund for distribution to BLMIS customers with allowed claims.

The SIPA Trustee has distributed approximately \$14.58 billion to BLMIS customers with allowed claims through May 31, 2025, which includes \$850.4 million in funds committed to be advanced by SIPC. All allowed customer claims up to approximately \$1.741 million have been fully satisfied.

In addition, SIPC has made advances available to the court-appointed SIPA Trustee to distribute to accounts with allowed claims (up to \$500,000 maximum), as a way to expedite financial relief to those account holders. To date, SIPC has committed \$850.4 million to the BLMIS liquidation for this purpose. SIPC-committed advances will continue to increase as claims that are currently in litigation are allowed as a result of settlements or the conclusion of litigation. Under SIPA, SIPC must be reimbursed for its advances to customers. To date, SIPC has received approximately \$261.5 million in reimbursement.
