Subject: Fairfield Funds - Change of contact information

Dear Lauren,
Der Philip,

UBS Wealth Management acquired the Private Banking department of Dresdner Bank Lateinamerika AG per May 2nd., 2005.

Due to this all clients will move from DBLA to UBS Lateinamerika GmbH on May 2nd.

In order to come up to all legal issues regarding the acquisition I will also move to UBS Lateinamerika GmbH.

Regarding the current nominee shareholder everything will remain the same as it currently is. Also the orderrouting will remain the same as well as all former contacts regarding the investment. Even the IT platform within UBS Lateinamerika GmbH will remain the same so the we will still be in charge of receiving and monitoring all Fund related information as we did in the past. Therefore we will remain in close contact to DBLA's backoffice in order to provide them with information.

As this also has effects on clients holding the Fairfield Funds I kindly ask you to continue providing me with all product related information as you did in the past.

My new contact address starting May 2nd., 2005 will be as follows:

Guido Lucke
UBS Lateinamerika GmbH
Ballindamm 33
20095 Hamburg
Germany
Phone: +49-40-3295-437

In order to have the guarantee that all information will be received please be so kind to also send every pricing information to the following email addresses:

<mailto:guido.lucke@ubs.com> <<mailto:guido.lucke@ubs.com>> <mailto:DBLA-Hamburg-Orderexecution@dbla.com>
<<mailto:DBLA-Hamburg-Orderexecution@dbla.com>>

If possible we would like to enter your web site with the same login. If this is not allowed legally I kindly ask you to provide me with a new one I can use while I'm in UBS Lateinermaika.

Regarding product related issues such as fact sheets, offering memos, new products please be so kind to keep me informed via email or phone.

In case you have any further questions please feel free to contact me.

Thanks for all the great support you provided me with in the past and I dearly hope we can continue our business.

Thanks and best regards
