Hi there,

I do see a sub in Sentry for 280,000 trough UBS. It came in for December 1st/November 30th.

But I don't see anything in Sigma for 280,000.
Do you see anything in Sigma for 280,000?

Rgds,
Gio

Hi,

I am unable to get into Citco Facts (gives an error msg). Can you tell me if the trade below was booked for Oct 30 or Nov 30? I think we approved it late for Oct 30 if the money arrived on Nov 1, but wonder if the money came in after that.

UBS - Sigma EUR 280,000 for Nov 1

Thank you,

Lauren

Hi my Dear,

It seems as if this trade was settled as per November 30th. an not October 30th.
As you told me that the wire should arrive on November 1st. for being included in the October subscriptions I'm now wondering if the money arrived too late ?

Would you please be so kind to confirm this.

Many thanks

Guido
