Any way we would take USD 80,000 late tomorrow into F Sentry?

Hi Guido!

No chance for Sep 30th. If the money hits TODAY, we can take for end of October, but I am not sure if your banks are still open. We cannot take after today. However, we can definitely reserve for next month.

Let me know if you decide to send today.

Kind rgds,

Lauren

Hi Lauren,

sorry for not having mailed so long...but it's so hectic here.....you don't believe.

We have a huge problem..... we missed purchasing USD 80,000 of the Sentry in September.

So you see any chance to purchase as per September 30th ??

If not would there be a chance to purchase USD 80,000 for end of October ?

Many many thanks

Guido
